Dear Mr. Pettengill:

The Department of Vermont Health Access (DVHA) has conducted a search in response to your public records request for all proposals submitted for RFP #03410-127-14, as well as the evaluators' notes and scoring. Other than Goold Health Systems, proposals were submitted by Xerox, Catamaran, and Magellan. We are electronically sending you the following documents:

- Xerox redacted proposal
- Xerox redaction clarification (marked as proprietary, but the Attorney General's Office felt that redacting this information was inappropriate)
- Magellan redacted proposal
- Catamaran redacted proposal
- Scoring workbook with notes

Since these are large documents, I will send them piecemeal in follow-up emails. Attached to this email is the scoring workbook.

Please be advised that, pursuant to 1 V.S.A. § 318(a)(2), you have the right to appeal the denial of any portion of your request to Doug Racine, Secretary of the Agency of Human Services. Feel free to contact me if you have any questions.

Sincerely,

Dylan Frazer
