Date: Friday, August 08, 2014 12:55:00 PM

Dear Ms. Paquette:

The Department of Vermont Health Access (DVHA) received your public records request on August 7, 2014. The request was for charts of the top twenty Medicaid physicians who prescribed the most of each of thirty-three different medications from 2004 through 2014.

Pursuant to 1 V.S.A. § 317(c)(38), DVHA does not have any records to produce, as the information requested pertains to prescription information containing prescriber-identifiable data. Please be advised that, pursuant to 1 V.S.A. § 318(a)(2), you have the right to appeal the denial of any part of your request to Doug Racine, Secretary of the Agency of Human Services.

Feel free to contact me if you have any questions.

Sincerely,

Dylan Frazer
