

- Parties:** This is an Amendment for Grant #03410-6104-12 for services between the State of Vermont, Department of Vermont Health Access, (hereinafter called "State"), and Northeastern Vermont Regional Hospital, (hereinafter called "Grantee" or "Subrecipient"). This is the first change.
- Reason for Amendment:** The reason for this Amendment is addition of Tobacco Cessation program training to the Blueprint HSA agreement for St. Johnsbury to be funded through VDII Tobacco funds. Additional funding (ARRA) provided for Healthier Living Workshop radio ads.
- Delete:** By deleting on pages 1 of 25 Section 3 "Maximum Amount" and its contents, and substituting in lieu of thereof the following Section 3:

Maximum Amount: In consideration of services to be performed by the Grantee, the State agrees to pay the Grantee, per payment provisions specified in Attachment B, a sum not to exceed \$119,236.

By deleting on pages 1 of 25, Section 5 "Source of Funds" and its contents, and substituting in lieu of thereof the following Section 5:

Source of Funds:	GC	\$ 106,960	Special: HIT	\$5,000	Federal	\$3,500
					Settlement	\$3,776

- Add:** By adding on page 10 of 25, the following section to Attachment A, under Section G, below Healthier Living Workshops:

- The Grantee will work with a committee to develop radio advertisements for Healthier Living Workshops to be placed. The Grantee will place radio advertisements prior to September 30, 2012 on representative stations to cover the northeastern region of the state (Newport, St. Johnsbury, Morrisville, Central Vermont, and the Upper Valley HSAs).

By adding on page 11 of 25, the following section to Attachment A, towards the top of the page, just before "III. Reporting Requirements":

J. Tobacco Cessation Training

The Grantee will ensure adequate faculty to facilitate tobacco treatment through the community-based self-management programs and the community health team. The Grantee will identify individuals to be trained to facilitate tobacco treatment. Individuals to be trained will be approved by the Department of Vermont Health Access. Levels of training may include:

- Level 1 - Basic Skills - Offered through the University of Massachusetts Medical School. An 8 hour, self directed on-line learning experience that will provide participant with the basic knowledge of tobacco cessation and knowledge about what treatments are available to treat tobacco dependence.
- Level 2 - Group Tobacco Cessation Curriculum - One day training on facilitating group tobacco cessation classes.
- Level 3 - Tobacco Treatment Specialist - Offered through the University of Massachusetts. A four day class prepares participants with the skills needed to offer individual tobacco dependence treatment. Participants must be willing to attend the four day training and go through the certification program to become a Certified Tobacco Treatment Specialist.

By adding on page 13 of 25, the following passage to Attachment B (Payment Provisions) immediately preceding the "Incentives" heading:

Tobacco Training

Grantee may invoice the State for tobacco training up to \$3,776.

- For level 3 Tobacco Treatment Specialist Training, the Grantee may invoice the State upon enrollment in the training at a rate of up to \$1,000 per person for up to 2 people.

Upon completion of the level 3 Tobacco Treatment Specialist Training, the Grantee may invoice the State for actual expenses up to \$763.10 per person for lodging, mileage and meals not provided at the training. Mileage will be reimbursed at the state rate. Meals will be reimbursed up to: \$6.25 per breakfast, \$7.25 per lunch and \$18.50 per dinner.

The Grantee may invoice the State for tobacco treatment specialist certification up to \$250. Upon receipt of certification, the Grantee may invoice the State at a rate of \$250 per certified person for up to 1 person.

Tobacco Radio Ads

Upon execution of this grant, the Grantee will invoice the State for \$3,500 to cover actual expense to place radio advertisements for the Healthier Living Workshops for the northeastern region of the state.
