

MEMORANDUM

TO: Patrick Flood, Deputy Secretary, Agency of Human Services (AHS)

FROM: Susan Besio, Director, Department of Vermont Health Access (DVHA)

DATE: April 19, 2011

SUBJECT: Amendment #2 to Covington and Burling Contract # 14943
Current Duration: 07/01/2009-06/30/2011
Current Value: \$18,750
Proposed Duration: 07/01/2009-6/30/2012
Proposed Increase: \$0.00

DVHA contracted for personal services with Covington and Burling for legal and consultative assistance and representation in Vermont concerning the potential effects of federal congressional and regulatory proposals or administrative actions that may affect the State's 1115 and 1915 Medicaid program waivers. We are proposing to extend the Covington and Burling contract for another year.

The current contract expires on 06/30/2011 with a maximum value of \$18,750. We are requesting approval for a one-year extension. The maximum contract value will remain at \$18,750, as they have invoiced DVHA for about half of this amount.

There are no added performance based measures as they were not included in the previous amendment or original contract, and due to the nature of the work that the Contractor provides.

The funding for this contract will be covered by the Global Commitment to Health Appropriations for the term of the contract. This contract complies with all mandatory provisions of AOA Bulletin 3.5.

DVHA looks forward to approval of the amendment.
