SPECIFICATIONS OF WORK TO BE PERFORMED**

Background

OVHA is now a managed care organization (MCO) under the federally approved Global Commitment to Health program. As a managed care organization, OVHA must have an internal appeal process for resolving service disagreements between beneficiaries and OVHA or OVHA contractors as required by federal rules. OVHA has promulgated its own rules, effective July 1, 2007, that spell out the new internal OVHA appeal process.

The overall goal of the appeal process is to resolve disputes fairly, to enhance beneficiary and public confidence in the equity and integrity of the service system, to ensure beneficiary access to clinically justified covered benefits, and to allow for the independent review of OVHA staff or contractor decisions that can be appealed.

The appeal procedure is intended to be:

- ◆ clearly communicated and consistently applied by all entities that are part of the MCO;
- ◆ easily accessible for beneficiaries, with assistance available as needed;
- ◆ confidential;
- ◆ free of retribution;
- ◆ adequately documented; and
- ◆ resolved within specified timeframes.

OVHA's goal is to decide appeals in 30 days; however, up to 45 days is allowed by the rule, with an extension of 14 days possible if it is in the beneficiary's best interests (such as to get more clinical information). The longest it will ever take for a decision to be made is 59 days.

Scope of Work

Work will usually be performed at the Office of Vermont Health Access in Williston, Vermont. It is expected that the contractor will be at the OVHA office as needed and will be available to respond to unexpected, emergent work needs.

Significant duties will include:

- Participate in meetings in which appeals are considered. Meetings may be scheduled on a regular basis and include OVHA staff or contractors, the beneficiary who filed the appeal, along with their representative and/or provider (these individuals may participate by phone or in person). Note that in unusual circumstances, it may be necessary to travel to accommodate a beneficiary;
- Review the clinical information that substantiates the reason for the service denial or termination;

- Review and determine if requests for an “expedited appeal” meet the definition set out in rule, and if so render decisions accordingly. “Expedited appeal” is an appeal in an emergent situation in which taking the time for a standard resolution could seriously jeopardize the beneficiary's life or health or ability to attain, maintain, or regain maximum function.
- Review the clinical information that substantiates the need for the service;
- Discuss service denials or terminations with the staff or consultant that made the original decision;
- Write decisions that result from the appeal process, provide clinical justification for the decision to uphold or reverse the original decision, and if necessary provide testimony to the Human Service Board regarding the rationale for the decision;
- As required, consult with medical specialists on cases requiring specialty review;
- Identify specialty resources that may be called upon to consider unique or unusual cases;
- Research and identify appropriate practice and clinical guidelines, and use applicable guidelines in making appeal decisions;
- Perform other duties to assist the OVHA Medical Director as requested by the Policy Director.

2.2 Business Associate may make PHI available to its employees who need access to perform Services provided that Business Associate makes such employees aware of the use and disclosure restrictions in this Agreement and binds them to comply with such restrictions. Uses and disclosures of PHI for the purposes identified in this Section 3 must be of the minimum amount of PHI necessary to accomplish such purposes.

For example, the written contract must include those restrictions and conditions set forth in Section 12. Business Associate must enter into the written contract before any use or disclosure of PHI by such agent. The written contract must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the contract concerning the use or disclosure of PHI. Business Associate shall provide a copy of the written contract to Covered Entity upon request. Business Associate may not make any disclosure of PHI to any agent without the prior written consent of Covered Entity.
7. **Access to PHI.** Business Associate shall provide access to PHI in a Designated Record Set to Covered Entity or as directed by Covered Entity to an Individual to meet the requirements under 45 CFR 164.524. 10. **Books and Records.** Subject to the attorney-client and other applicable legal privileges, Business Associate shall make its internal practices, books, and records (including policies and procedures and PHI) relating to the use and disclosure of PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity available to the Secretary in the time and manner designated by the Secretary. 11. **Termination.**
- 11.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by Covered Entity or until all of the PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity is destroyed or returned to Covered Entity subject to Section 15.11.
- 11.2 If Business Associate breaches any material term of this Agreement, Covered Entity may either: (a) provide an opportunity for Business Associate to cure the breach and Covered Entity may terminate this Contract without liability or penalty if Business Associate does not cure the breach within the time specified by Covered Entity; or (b) immediately terminate this Contract without liability or penalty if Covered Entity believes that cure is not reasonably possible; or (c) if neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary. 12. **Return/Destruction of PHI.**
- 12.1 Business Associate in connection with the expiration or termination of this Contract shall return or destroy all PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity pursuant to this Contract that Business Associate still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. Business Associate shall not retain any copies of the PHI. Business Associate shall certify in writing for Covered Entity (1) when all PHI has been returned or

destroyed and (2) that Business Associate does not continue to maintain any PHI. Business Associate is to provide this certification during this thirty (30) day period.

12.2 Business Associate shall provide to Covered Entity notification of any conditions that Business Associate believes make the return or destruction of PHI infeasible. If Covered Entity agrees that return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible for so long as Business Associate maintains such PHI.

13. **Notice/Training.** Business Associate understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of PHI and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations. If requested by Covered Entity, Business Associate shall participate in information security awareness training regarding the use, confidentiality, and security of PHI.

14. **Security Rule Obligations.** The following provisions of this Section 14 apply to the extent that Business Associate creates, receives, maintains or transmits Electronic PHI on behalf of Covered Entity.

14.1 Business Associate shall implement and use administrative, physical, and technical safeguards that reasonably and appropriately protect the Confidentiality, Integrity and Availability of the Electronic PHI that it creates, receives, maintains or transmits on behalf of Covered Entity. Business Associate shall identify in writing upon request from Covered Entity all of the safeguards that it uses to protect such Electronic PHI.

14.2 Business Associate shall ensure that any agent (including a subcontractor) to whom it provides Electronic PHI agrees in a written contract to implement and use administrative, physical, and technical safeguards that reasonably and appropriately protect the Confidentiality, Integrity and Availability of the Electronic PHI. Business Associate must enter into this written contract before any use or disclosure of Electronic PHI by such agent. The written contract must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the contract concerning the use or disclosure of Electronic PHI. Business Associate shall provide a copy of the written contract to Covered Entity upon request. Business Associate may not make any disclosure of Electronic PHI to any agent without the prior written consent of Covered Entity.

14.3 Business Associate shall report in writing to Covered Entity any Security Incident pertaining to such Electronic PHI (whether involving Business Associate or an agent, including a subcontractor). Business Associate shall provide this written report promptly after it becomes aware of any such Security Incident. Business Associate shall provide Covered Entity with the information necessary for Covered Entity to investigate any such Security Incident.

14.4 Business Associate shall comply with any reasonable policies and procedures Covered Entity implements to obtain compliance under the Security Rule.

15. Miscellaneous.

- 15.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the Contract, the terms of this Agreement shall govern with respect to its subject matter. Otherwise the terms of the Contract continue in effect.
- 15.2 Any reference to “promptly” in this Agreement shall mean no more than seven (7) business days after the circumstance or event at issue has transpired. A reference in this Agreement to a section in the Privacy Rule or Security Rule means the section as in effect or as amended or renumbered.
- 15.3 Business Associate shall mitigate, to the extent practicable, any harmful effect that is known to it of a use or disclosure of PHI in violation of any provision of this Agreement.
- 15.4 Business Associate shall cooperate with Covered Entity to amend this Agreement from time to time as is necessary for Covered Entity to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA.
- 15.5 Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule, Security Rule, or any other standards promulgated under HIPAA.
- 15.6 In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule and Security Rule) in construing the meaning and effect of this Agreement.
- 15.7 This Agreement may be amended or modified, and any right under this Agreement may be waived, only by a writing signed by an authorized representative of each party.
- 15.8 Nothing express or implied in this Agreement is intended to confer upon any person other than the parties hereto any rights, remedies, obligations or liabilities whatsoever. Notwithstanding the foregoing, the Covered Entity in this Agreement is the Agency of Human Services operating by and through its **Office of Vermont Health Access**. Covered Entity and Business Associate agree that the term “Covered Entity” as used in this Agreement also means any other Department, Division or Office of the Agency of Human Services to the extent that such other Department, Division, or Office has a relationship with Business Associate that pursuant to the Privacy or Security Rules would require entry into an agreement of this type.
- 15.9 As between Business Associate and Covered Entity, Covered Entity owns all PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity.
- 15.10 Business Associate shall abide by the terms and conditions of this Agreement with respect to all PHI it receives from Covered Entity or creates or receives on behalf of Covered Entity under this Contract even if some of that information relates to specific services for which Business Associate may not be a “Business Associate” of Covered Entity under the Privacy

Rule.

15.11 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for Business Associate to return or destroy PHI as provided in Section 12.2 and (b) the obligation of Business Associate to provide an accounting of disclosures as set forth in Section 9 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.

15.12 This Agreement constitutes the entire agreement of the parties with respect to its subject matter, superseding all prior oral and written agreements between the parties in such respect.
