TO: Jeb Spaulding; Secretary, Agency of Administration (AOA)

FROM: Susan Besio; Director, Office of Vermont Health Access (OVHA)

THROUGH: Doug Racine; Secretary, Agency of Human Services (AHS)

DATE: May 23, 2011

SUBJECT: Approval for Contract Amendment to Lake Champlain Capital Management (Contract #16800)
Current Value of Contract: \$180,540: Amended Amount: \$220,020
Current Duration is: 03/01/10 – 12/16/11

Handwritten notes:
AF for AHS 6/10/11

DVHA is amending contract number 16800. Lake Champlain Capital Management has been requested to provide consultation and assistance to DVHA in developing a financial model, adapted from the Blueprint financial model that is appropriate for use in extending the financial modeling to support payment reform pilots.

For purposes of financial modeling to support payment reform pilots it is anticipated that the assignment will require not less than 160 hours of Contractor work between June 1, 2011 and December 15, 2011. At the Contractor's rate of \$188 per hour, the total professional fee cost of the project is \$30,080. In the event that the project may take longer than anticipated during the contract period, the Contractor will reserve (the "Reserve") up to an additional 50 hours (or \$9,400) at the same billing rate. The use of that Reserve would only take place with the prior approval of the Director of the Blueprint and/or the Director of Payment Reform.

This contract was originally placed out to bid in 2008 and followed the standard bidding process. Lake Champlain Capital Management (Greg Peters) is an excellent and valued Blueprint contractor whose services help us with the very important task of evaluating the effectiveness of the Blueprint. He is thorough, concise and timely with his monthly reporting. Although not "on call" for the Blueprint, Greg has been available with little notice to present his financial modeling to the legislature and other Blueprint stakeholders.

The funding for this amendment will be covered by the Global Commitment to Health Appropriations and complies with all mandatory provisions of AOA Bulletin 3.5. OVHA looks forward to approval of this amendment.

APPROVAL:  DATE: 06/20/11
JEB SPAULDING, SECRETARY OF ADMINISTRATION

Deputy

REC'D JUN 14 2011

AMENDMENT

It is agreed by and between the State of Vermont, Department of Vermont Health Access (hereafter called the "State") and **Lake Champlain Capital Management, LLC** (hereafter called the "Contractor") that the contract on the subject of developing and maintaining projections and financial modeling related to: commercial and public insurance companies return on investment in the Blueprint for Health Program; Agency of Human Services Programs as they relate to the Blueprint for Health; and Centers for Medicare Services, effective 3/1/10, is hereby amended effective upon execution, as follows:

By deleting on page 1 of 14, Section 3 (Maximum Amount) and substituting in lieu thereof the following Section 3:

3. Maximum Amount. In consideration of the services to be performed by Contractor, the State agrees to pay Contractor, in accordance with the payment provisions specified in Attachment B, a sum not to exceed **\$220,020.00**.

By adding the following language to the Scope of Work amended on December 16, 2010 substitute letter I on page 5 of 7 with the following:

- I. Shared interest Model: Develop a model and associated projections related to Payment Reform based upon Shared Interests.

The Blueprint for Health has developed up to this point with a focus upon insurers augmenting fee for service with PPPM payments tied to NCQA standards for primary care practice. In addition, insurers have supported "Shared Costs" for advanced community support through CHT's, Medicaid CC's and SASH teams. Both forms of payment, PPPM's and CHT support, are designed with the goal of improving outcomes and quality of care in a coordinated, patient centered fashion at the primary care level.

The next evolution of the payment reform system is to link the interests of both primary care physician and specialist ("Shared Interests") such that the goals of improved outcomes, reduced utilization, improved patient experience and reduction in the rate of cost increase are carried across the entire spectrum of the delivery system. In order to maximize the return on available resources, initial focus would be upon a patient subpopulation of two or more chronic conditions.

The modeling effort would require a number of activities to take place to include the following:

- Building a Baseline of expenditures for patients with two or more chronic conditions; this would require mining data from VHCURES (commercial payers), Medicaid, Medicare and potentially other sources until the multi-payer data base is complete;
- Developing metrics and payment scales around which the Shared Interest payment formula is driven and measured; as initially conceived, the primary elements of the formula would include: Aggregate Acute Care Utilization Reduction; Aggregate Quality Measures; Aggregate Patient Experience/Engagement; and Total Cost of Care management.

- Assessing the impact of incremental interventions resulting from the Shared Interests model on the patient subpopulation and associated savings (or costs) that may be expected from those interventions;
- Determining incremental program costs in order to roll out and execute the Shared Interests model; and
- Developing program evaluation techniques, goals and objectives by which the Shared Interests model can be measured over time.

Deliverables:

The Contractor would develop a Shared Interests model, patterned after the base Blueprint for Health model, that would reflect Baseline expenditures for the two or more chronic disease subpopulation, pace of roll out of coverage of that subpopulation over time, the impact of clinical interventions on utilization of the delivery system (inpatient admissions, ER, etc.), variables to the Shared Interests payment formula with interactive "dial turning" capability to vary weighting and forecast results, incremental program costs, projected savings and forecasted return on investment. Initially, the model would cover a five-year time period, but could be expanded to extend the forecast period, if desired. In addition, the Contractor would participate with the Blueprint project team to develop evaluation tools and techniques for evaluation of the program over time.

It is anticipated that the assignment will require not less than 160 hours of Contractor work between June 1, 2011 and December 15, 2011. In the event that the project may take longer than anticipated during the contract period, the Contractor will reserve (the "Reserve") up to an additional 50 hours at the specified billing rate as outlined in Attachment B of this document. The use of that Reserve would only take place with the prior approval of the Director of the Blueprint and/or the Director of Payment Reform.

By deleting on page 6, Attachment B, Payment Provisions, and substituting in lieu thereof the following.

ATTACHMENT B

The maximum dollar amount payable under this agreement is not intended as any form of a guaranteed amount. The Contractor will be paid for services actually performed as specified in Attachment A, up to the maximum allowable. The payment schedule for delivered products, or rates for services performed, and any additional reimbursements, are included in this attachment. The following provisions specifying payments are:

Contractor will invoice monthly, for services performed in this contract. The contract maximum is \$220,020. Monthly program reports will outline progress toward completing deliverables as noted in Attachment A, as well as the work planned for the next month. The monthly program report will be in sufficient detail as to document progress toward and/or achievement of deliverables described in Attachment A. Contractor will be paid an hourly rate of \$188.00.

All reports related to this contract should be submitted in electronic format. **Invoices should be submitted both electronically and in hard copy with original signature.** Reports and invoices should

**ATTACHMENT E
BUSINESS ASSOCIATE AGREEMENT**

THIS BUSINESS ASSOCIATE AGREEMENT IS ENTERED INTO BY AND BETWEEN THE STATE OF VERMONT AGENCY OF HUMAN SERVICES, OPERATING BY AND THROUGH ITS DEPARTMENT OF VERMONT HEALTH ACCESS AND LAKE CHAMPLAIN CAPITAL MANAGEMENT, LLC AS OF 3/1/2010. THIS AGREEMENT SUPPLEMENTS AND IS MADE A PART OF THE GRANT TO WHICH IT IS ATTACHED.

Covered Entity and Business Associate enter into this Agreement to comply with standards promulgated under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), including the Standards for the Privacy of Individually Identifiable Health Information, at 45 CFR Parts 160 and 164 ("Privacy Rule"), and the Security Standards, at 45 CFR Parts 160 and 164

("Security Rule"), as amended by Subtitle D of the Health Information Technology for Economic and Clinical Health Act.

The parties agree as follows:

1. **Definitions.** All capitalized terms in this Agreement have the meanings identified in this Agreement, 45 CFR Part 160, or 45 CFR Part 164.

The term "Services" includes all work performed by the Business Associate for or on behalf of Covered Entity that requires the use and/or disclosure of protected health information to perform a business associate function described in 45 CFR 160.103 under the definition of Business Associate.

The term "Individual" includes a person who qualifies as a personal representative in accordance with 45 CFR 164.502(g).

The term "Breach" means the acquisition, access, use or disclosure of protected health information (PHI) in a manner not permitted under the HIPAA Privacy Rule, 42 CFR part 164, subpart E, which compromises the security or privacy of the PHI. "Compromises the security or privacy of the PHI" means poses a significant risk of financial, reputational or other harm to the individual.

2. **Permitted and Required Uses/Disclosures of PHI.**

2.1 Except as limited in this Agreement, Business Associate may use or disclose PHI to perform Services, as specified in the underlying grant with Covered Entity. Business Associate shall not use or disclose PHI in any manner that would constitute a violation of the Privacy Rule if used or disclosed by Covered Entity in that manner. Business Associate may not use or disclose PHI other than as permitted or required by this Agreement or as Required by Law.

2.2 Business Associate may make PHI available to its employees who need access to perform Services provided that Business Associate makes such employees aware of the use and disclosure restrictions in this Agreement and binds them to comply with such restrictions. Business Associate may only disclose PHI for the purposes authorized by this Agreement: (a) to its agents (including subcontractors) in accordance with Sections 8 and 16 or (b) as otherwise permitted by Section 3.

3. **Business Activities.** Business Associate may use PHI received in its capacity as a Business Associate to Covered Entity if necessary for Business Associate's proper management and administration or to carry out its legal responsibilities. Business Associate may disclose PHI received in its capacity as Business Associate to Covered Entity for Business Associate's proper management and administration or to carry out its legal responsibilities if a disclosure is Required by Law or if (a) Business Associate obtains reasonable written assurances via a written agreement from the person to whom the information is to be disclosed that the PHI shall remain confidential and be used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person and (b) the person notifies Business Associate, within three business days (who in turn will notify Covered Entity within three business days after receiving notice of a Breach as specified in Section 5.1), in writing of any Breach of Unsecured PHI of which it is aware. Uses and disclosures of PHI for the purposes identified in this Section 3 must be of the minimum amount of PHI necessary to accomplish such purposes.
4. **Safeguards.** Business Associate shall implement and use appropriate safeguards to prevent the use or disclosure of PHI other than as provided for by this Agreement. With respect to any PHI

that is maintained in or transmitted by electronic media, Business Associate shall comply with 45 CFR sections 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards) and 164.316 (policies and procedures and documentation requirements). Business Associate shall identify in writing upon request from Covered Entity all of the safeguards that it uses to prevent impermissible uses or disclosures of PHI.

5. Documenting and Reporting Breaches.

5.1 Business Associate shall report to Covered Entity any Breach of Unsecured PHI as soon as it (or any of its employees or agents) becomes aware of any such Breach, and in no case later than three (3) business days after it (or any of its employees or agents) becomes aware of the Breach, except when a law enforcement official determines that a notification would impede a criminal investigation or cause damage to national security.

5.2 Business Associate shall provide Covered Entity with the names of the individuals whose Unsecured PHI has been, or is reasonably believed to have been, the subject of the Breach and any other available information that is required to be given to the affected individuals, as set forth in 45 CFR §164.404(c), and, if requested by Covered Entity, information necessary for Covered Entity to investigate the impermissible use or disclosure. Business Associate shall continue to provide to Covered Entity information concerning the Breach as it becomes available to it.

5.3 When Business Associate determines that an impermissible acquisition, use or disclosure of PHI by a member of its workforce does not pose a significant risk of harm to the affected individual(s), it shall document its assessment of risk. Such assessment shall include: 1) the name of the person(s) making the assessment, 2) a brief summary of the facts, and 3) a brief statement of the reasons supporting the determination of low risk of harm. When requested by Covered Entity, Business Associate shall make its risk assessments available to Covered Entity.

6. **Mitigation and Corrective Action.** Business Associate shall mitigate, to the extent practicable, any harmful effect that is known to it of an impermissible use or disclosure of PHI, even if the impermissible use or disclosure does not constitute a Breach. Business Associate shall draft and carry out a plan of corrective action to address any incident of impermissible use or disclosure of PHI. If requested by Covered Entity, Business Associate shall make its mitigation and corrective action plans available to Covered Entity.

7. Providing Notice of Breaches.

7.1 If Covered Entity determines that an impermissible acquisition, access, use or disclosure of PHI for which one of Business Associate's employees or agents was responsible constitutes a Breach as defined in 45 CFR §164.402, and if requested by Covered Entity, Business Associate shall provide notice to the individuals whose PHI has been the subject of the Breach. When requested to provide notice, Business Associate shall consult with Covered Entity about the timeliness, content and method of notice, and shall receive Covered Entity's approval concerning these elements. The cost of notice and related remedies shall be borne by Business Associate.

7.2 The notice to affected individuals shall be provided as soon as reasonably possible and in no case later than 60 calendar days after Business Associate reported the Breach to Covered Entity.

7.3 The notice to affected individuals shall be written in plain language and shall include, to the extent possible, 1) a brief description of what happened, 2) a description of the types of Unsecured PHI that were involved in the Breach, 3) any steps individuals can take to protect themselves from potential harm resulting from the Breach, 4) a brief description of what the

Business Associate is doing to investigate the Breach, to mitigate harm to individuals and to protect against further Breaches, and 5) contact procedures for individuals to ask questions or obtain additional information, as set forth in 45 CFR §164.404(c).

- 7.4 Business Associate shall notify individuals of Breaches as specified in 45 CFR §164.404(d) (methods of individual notice). In addition, when a Breach involves more than 500 residents of Vermont, Business Associate shall, if requested by Covered Entity, notify prominent media outlets serving Vermont, following the requirements set forth in 45 CFR §164.406.
8. **Agreements by Third Parties.** Business Associate shall ensure that any agent (including a subcontractor) to whom it provides PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity agrees in a written agreement to the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such PHI. For example, the written agreement must include those restrictions and conditions set forth in Section 14. Business Associate must enter into the written agreement before any use or disclosure of PHI by such agent. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the use or disclosure of PHI. Business Associate shall provide a copy of the written agreement to Covered Entity upon request. Business Associate may not make any disclosure of PHI to any agent without the prior written consent of Covered Entity.
9. **Access to PHI.** Business Associate shall provide access to PHI in a Designated Record Set to Covered Entity or as directed by Covered Entity to an Individual to meet the requirements under 45 CFR 164.524. Business Associate shall provide such access in the time and manner reasonably designated by Covered Entity. Within three (3) business days, Business Associate shall forward to Covered Entity for handling any request for access to PHI that Business Associate directly receives from an Individual.
10. **Amendment of PHI.** Business Associate shall make any amendments to PHI in a Designated Record Set that Covered Entity directs or agrees to pursuant to 45 CFR 164.526, whether at the request of Covered Entity or an Individual. Business Associate shall make such amendments in the time and manner reasonably designated by Covered Entity. Within three (3) business days, Business Associate shall forward to Covered Entity for handling any request for amendment to PHI that Business Associate directly receives from an Individual.
11. **Accounting of Disclosures.** Business Associate shall document disclosures of PHI and all information related to such disclosures as would be required for Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 CFR 164.528. Business Associate shall provide such information to Covered Entity or as directed by Covered Entity to an Individual, to permit Covered Entity to respond to an accounting request. Business Associate shall provide such information in the time and manner reasonably designated by Covered Entity. Within three (3) business days, Business Associate shall forward to Covered Entity for handling any accounting request that Business Associate directly receives from an Individual.
12. **Books and Records.** Subject to the attorney-client and other applicable legal privileges, Business Associate shall make its internal practices, books, and records (including policies and procedures and PHI) relating to the use and disclosure of PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity available to the Secretary in the time and manner designated by the Secretary. Business Associate shall make the same information available to Covered Entity (without regard to the attorney-client or other applicable legal

privileges) upon Covered Entity's request in the time and manner reasonably designated by Covered Entity so that Covered Entity may determine whether Business Associate is in compliance with this Agreement.

13. Termination.

13.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by Covered Entity or until all of the PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity is destroyed or returned to Covered Entity subject to Section 17.7.

13.2 If Business Associate breaches any material term of this Agreement, Covered Entity may either: (a) provide an opportunity for Business Associate to cure the breach and Covered Entity may terminate the grant without liability or penalty if Business Associate does not cure the breach within the time specified by Covered Entity; or (b) immediately terminate the grant without liability or penalty if Covered Entity believes that cure is not reasonably possible; or (c) if neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary. Covered Entity has the right to seek to cure any breach by Business Associate and this right, regardless of whether Covered Entity cures such breach, does not lessen any right or remedy available to Covered Entity at law, in equity, or under the grant, nor does it lessen Business Associate's responsibility for such breach or its duty to cure such breach.

14. Return/Destruction of PHI.

14.1 Business Associate in connection with the expiration or termination of the grant shall return or destroy, at the discretion of the Covered Entity, all PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity pursuant to this grant that Business Associate still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. Business Associate shall not retain any copies of the PHI. Business Associate shall certify in writing for Covered Entity (1) when all PHI has been returned or destroyed and (2) that Business Associate does not continue to maintain any PHI. Business Associate is to provide this certification during this thirty (30) day period.

14.2 Business Associate shall provide to Covered Entity notification of any conditions that Business Associate believes make the return or destruction of PHI infeasible. If Covered Entity agrees that return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible for so long as Business Associate maintains such PHI.

15. Penalties and Training. Business Associate understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of PHI and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations. If requested by Covered Entity, Business Associate shall participate in training regarding the use, confidentiality, and security of PHI.

16. Security Rule Obligations. The following provisions of this section apply to the extent that Business Associate creates, receives, maintains or transmits Electronic PHI on behalf of Covered Entity.

16.1 Business Associate shall implement and use administrative, physical, and technical safeguards in compliance with 45 CFR sections 164.308, 164.310, and 164.312 with respect to the

Electronic PHI that it creates, receives, maintains or transmits on behalf of Covered Entity. Business Associate shall identify in writing upon request from Covered Entity all of the safeguards that it uses to protect such Electronic PHI.

- 16.2** Business Associate shall ensure that any agent (including a subcontractor) to whom it provides Electronic PHI agrees in a written agreement to implement and use administrative, physical, and technical safeguards that reasonably and appropriately protect the Confidentiality, Integrity and Availability of the Electronic PHI. Business Associate must enter into this written agreement before any use or disclosure of Electronic PHI by such agent. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the use or disclosure of Electronic PHI. Business Associate shall provide a copy of the written agreement to Covered Entity upon request. Business Associate may not make any disclosure of Electronic PHI to any agent without the prior written consent of Covered Entity.
- 16.3** Business Associate shall report in writing to Covered Entity any Security Incident pertaining to such Electronic PHI (whether involving Business Associate or an agent, including a subcontractor). Business Associate shall provide this written report as soon as it becomes aware of any such Security Incident and in no case later than three (3) business days after it becomes aware of the incident. Business Associate shall provide Covered Entity with the information necessary for Covered Entity to investigate any such Security Incident.
- 16.4** Business Associate shall comply with any reasonable policies and procedures Covered Entity implements to obtain compliance under the Security Rule.

17. Miscellaneous.

- 17.1** In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the grant, the terms of this Agreement shall govern with respect to its subject matter. Otherwise, the terms of the grant continue in effect.
- 17.2** Business Associate shall cooperate with Covered Entity to amend this Agreement from time to time as is necessary for Covered Entity to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA.
- 17.3** Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule, Security Rule, or any other standards promulgated under HIPAA.
- 17.4** In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule and Security Rule) in construing the meaning and effect of this Agreement.
- 17.5** As between Business Associate and Covered Entity, Covered Entity owns all PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity.
- 17.6** Business Associate shall abide by the terms and conditions of this Agreement with respect to all PHI it receives from Covered Entity or creates or receives on behalf of Covered Entity even if some of that information relates to specific services for which Business Associate may not be a "Business Associate" of Covered Entity under the Privacy Rule.
- 17.7** The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it
