

AMENDMENT

It is agreed by and between the State of Vermont, Department of Vermont Health Access (hereinafter called "State") and Ann E. Rugg, with a principal place of business in Burlington, VT 05401 (hereinafter called "Contractor") that the personal services contract on the subject of State Pharmacy Programs Oversight and Operations, entered into November 10, 2011 is hereby amended effective November 10, 2014 as follows:

- 1. By deleting on page 1 of 14, Section 4 (Contract Term), as previously changed by Amendment 2, and substituting in lieu thereof the following Section 4:**

- 4. Contract Term.** The period of Contractor's performance shall begin on November 10, 2011 and end on May 9, 2016.

- 2. By deleting on page 5 of 14 of the base agreement, Attachment B (Payment Provisions) Section 1, as previously changed by Amendment 2, and substituting in lieu thereof the following Section 1:**

1. Contractor invoices shall be submitted no more frequently than monthly, but no later than quarterly, and shall include the number of hours worked during the specific billing period and the total amount billed. The State shall pay the Contractor at the rate of \$65 per hour. It is anticipated that duties relating to the outlined scope of work will constitute a total of 900 hours beginning November 2011 and ending on May 9, 2016. It is understood by the Contractor that the noted number of hours is not a guarantee of payable hours. The Contractor will meet the performance standards as outlined in Attachment A. Contractor agrees that with written notice of unsatisfactory performance, the State will retain 10% from the invoice total until corrective action is complete, and a satisfactory work product is delivered. In the event that Contractor fails to take corrective action resulting in delivery of satisfactory work in a timely manner, as determined by the State of Vermont, the State may retain funds equal to the entire amount of funds budgeted for that task. Contractor further agrees that the retainage process and amount is a fair representation of the impairment of value of the contract created by late or insufficient performance on the part of Contractor. The release of retainage may take place after satisfactory conclusion of, or performance towards, a given task. The Contractor may submit an invoice for the amount of retained funds payable for a particular task immediately following successful completion and State acceptance of the deliverable. Retainage invoices will be reviewed by the State before payment. Failure to meet timelines or to deliver required products may result in forfeiture of retainage at the discretion of the State. Contractor agrees that time is of the essence for purposes of deliverables and tasks.

- 3. By deleting beginning on page 6 of 14 of the base agreement, Attachment C (Customary Provisions for Contracts and Grants), as previously changed by Amendment 2, and substituting in lieu thereof the following Attachment C, which is an attachment to this amendment beginning on page 3 of 6.**

This amendment consists of 6 pages. Except as modified by this amendment and any previous amendments, all provisions of this contract (#20857), dated November 10, 2011 shall remain unchanged and in full force and effect.
