

It is agreed by and between the State of Vermont, Department of Vermont Health Access (hereafter called the "State") and Gifford Medical Center dba Gifford Health Care, Inc. (hereafter called the "Grantee") that the grant on the subject of administering the Vermont Blueprint Integrated Health Services in the Randolph Health Service Area, effective October 1, 2013, is hereby amended effective March 31, 2014 as follows:

1. By deleting Section 3 (Maximum Amount) on page 1 of 42 of the base contract and substituting in lieu thereof the following Section 3:

3. Maximum Amount: In consideration of services to be performed by the Grantee, the State agrees to pay the Grantee, per payment provisions specified in Attachment B, a sum not to exceed \$174,134.00.

2. By deleting Section 5 (Source of Funds) on page 1 of 42 of the base contract and substituting in lieu thereof the following Section 5:

5. Source of Funds: State GC \$143,400 Special HIT \$ 20,000 Federal \$ 10,734

3. By deleting in Attachment B (Payment Provisions) on page 22 of 42 of the base agreement, the section headed "Navigator" and substituting the following:

Navigator

The Grantee shall invoice the State monthly up to the sum of \$1,000 per month for 9 months for navigator activities in Attachment A on expenses incurred and completion of grant deliverables. For activities incurred during the month of July, the Grantee can invoice for a total of \$734.00. Payments for navigator activities will only be issued after all reports due quarterly are received by the State.

Navigator Milestone Payments

The Grantee shall invoice the State \$500 per 150 enrollees up to \$1,000.

4. By deleting in Attachment B (Payment Provisions) on page 22 of 42 of the base agreement, the section headed "Health Information Technology" and substituting the following:

Health Information Technology Interface with State Health Information Exchange and Covisint DocSite Registry

With approval of the assigned State's Blueprint Assistant Director, the Grantee may invoice for up to \$20,000 for information technology projects, examples of which may include:

- Payments outlined under the VITL/ Blueprint Connectivity and Data Quality Improvement Program
- Payments to vendors for necessary EMR modification to meet the NCQA PCMH standards, to generate panel management reports, or for quality improvement data reports

- One-time short-term data entry projects to correct historic data which will be used to meet the NCQA PCMH standards, to generate reliable panel management reports, or for quality improvement data reports
5. By deleting on page 25 of 42 of the base agreement, Approved Budget for October 1, 2013 to September 30, 2014 and substituting in lieu thereof the following budget chart:

	Amount	Source
Project Management	\$72,000	GC
Project Management Milestones	\$8,000	GC
Practice Facilitation	\$0	GC
Practice Facilitation Milestones	\$0	GC
Vermont Health Connect Navigation	\$9,734	Federal
Navigation Milestones	\$1,000	Federal
Health Information Technology Interfaces	\$20,000	HIT
Self-Management Programs	\$30,000	GC
Self-Management Master Trainer	\$0	GC
