SPECIFICATIONS OF WORK TO BE PERFORMED**

The work to be provided is for the independent examination of the State of Vermont's compliance with the federal government Disproportionate Share Hospital (DSH) regulations for payments made in Federal fiscal year 2011. These examinations and the related reports must meet the requirements of the December 19, 2008 Medicaid DSH final rule (73FR 77904) and CMS-2198-F: Medicaid Program: Disproportionate Share Hospital Payments.

The examination will result in certified audit report that complies with the requirements of the December 19, 2008 Medicaid DSH final rule (73FR 77904) and meets the specific requirements 42 CFR §455.304 (d).

**CMS PROTOCOL**

According to the CMS Protocol for implementation of CMS-2198-F: The DSH examination will rely on existing cost reporting tools and documents as primary sources for the data necessary to evaluate DSH payments against hospital-specific DSH costs.

**The Contractor shall:**

1. Review State's methodology for estimating hospital's OBRA 1993 hospital-specific DSH limit and the State's DSH payment methodologies in the approved Medicaid State plan for the State plan rate year under audit.
2. Review State's DSH audit protocol to ensure consistency with In-patient/Out-patient (IP/OP) Medicaid reimbursable services in the approved Medicaid State plan. Review DSH audit protocol to ensure that only costs eligible for DSH payments are included in the development of the hospital specific DSH limit.
3. Compile hospital specific IP/OP cost report data and IP/OP revenue data to measure hospital specific DSH limit in auditable year. In determining this limit, the auditor must measure both components of the hospital specific DSH limit. To determine the existence of a Medicaid shortfall, Medicaid IP/OP hospital costs (including Medicaid managed care costs) must be measured against Medicaid IP/OP revenue received for such services in the audited State Plan rate year (including regular Medicaid rate payments, add-ons, supplemental and enhanced payments and Medicaid managed care revenues). Costs associated with patients with no source of third party coverage must be reduced by applicable revenues and added to any Medicaid shortfall to determine total eligible DSH costs.
4. Compile total DSH payments made in auditable year to each qualifying hospital (including DSH payments received by the hospitals from other States).
5. Compare hospital specific DSH costs limits against hospital specific total DSH payments in the audited Medicaid State plan rate year. Summarize findings identifying any overpayments/underpayments to particular hospitals.
6. Complete the audit by September 30, 2015.
7. Prepare an audit report that complies with the requirements of the December 19, 2008 Medicaid

Disproportionate Share Hospital (DSH) final rule (73FR 77904) and meets the specific requirements 42 CFR §455.304 (d). This report shall be submitted to:

The cost of notice and related remedies shall be borne by Business Associate.

8.2 If Covered Entity or Business Associate determines that an impermissible acquisition, access, use or disclosure of PHI by a Subcontractor of Business Associate constitutes a Breach as defined in 45 CFR § 164.402, and if requested by Covered Entity or Business Associate, Subcontractor shall provide notice to the individual(s) whose PHI has been the subject of the Breach. When Covered Entity requests that

Business Associate or its Subcontractor provide notice, Business Associate shall either 1) consult with Covered Entity about the specifics of the notice as set forth in section 8.1, above, or 2) require, by contract, its Subcontractor to consult with Covered Entity about the specifics of the notice as set forth in section 8.1

8.4 The notice to affected individuals shall be written in plain language and shall include, to the extent possible, 1) a brief description of what happened, 2) a description of the types of Unsecured PHI that were involved in the Breach, 3) any steps individuals can take to protect themselves from potential harm resulting from the Breach, 4) a brief description of what the Business Associate is doing to investigate the Breach, to mitigate harm to individuals and to protect against further Breaches, and 5) contact procedures for individuals to ask questions or obtain additional information, as set forth in 45 CFR § 164.404(c).

8.5 Business Associate shall notify individuals of Breaches as specified in 45 CFR § 164.404(d) (methods of individual notice). In addition, when a Breach involves more than 500 residents of Vermont, Business Associate shall, if requested by Covered Entity, notify prominent media outlets serving Vermont, following the requirements set forth in 45 CFR § 164.406.

**9. Agreements with Subcontractors.** Business Associate shall enter into a Business Associate Agreement with any Subcontractor to whom it provides PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity in which the Subcontractor agrees to the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such PHI. Business Associate must enter into this Business Associate Agreement before any use by or disclosure of PHI to such agent. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the use or disclosure of PHI. Business Associate shall provide a copy of the Business Associate Agreement it enters into with a subcontractor to Covered Entity upon request. Business associate may not make any disclosure of PHI to any Subcontractor without prior written consent of Covered Entity.

Business Associate shall provide such access in the time and manner reasonably designated by Covered Entity. **11. Amendment of PHI.** Business Associate shall make any amendments to PHI in a Designated Record Set that Covered Entity directs or agrees to pursuant to 45 CFR § 164.526, whether at the request of Covered Entity or an Individual. Within three (3) business days, Business Associate shall forward to Covered Entity for handling any request for amendment to PHI that Business Associate directly receives from an Individual.

Business Associate shall provide such information to Covered Entity or as directed by Covered Entity to an Individual, to permit Covered Entity to respond to an accounting request. Business Associate shall provide such information in the time and manner

reasonably designated by Covered Entity. Within three (3) business days, Business Associate shall forward to Covered Entity for handling any accounting request that Business Associate directly receives from an Individual.

**13. Books and Records.** Subject to the attorney-client and other applicable legal privileges, Business Associate shall make its internal practices, books, and records (including policies and procedures and PHI) relating to the use and disclosure of PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity available to the Secretary in the time and manner designated by the Secretary. Business Associate shall make the same information available to Covered Entity, upon Covered Entity's request, in the time and manner reasonably designated by Covered Entity so that Covered Entity may determine whether Business Associate is in compliance with this Agreement.

**14. Termination.**

14.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by Covered Entity or until all of the PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity is destroyed or returned to Covered Entity subject to Section 18.7.

14.2 If Business Associate breaches any material term of this Agreement, Covered Entity may either: (a) provide an opportunity for Business Associate to cure the breach and Covered Entity may terminate the contract or grant without liability or penalty if Business Associate does not cure the breach within the time specified by Covered Entity; or (b) immediately terminate the contract or grant without liability or penalty if Covered Entity believes that cure is not reasonably possible; or (c) if neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary. Covered Entity has the right to seek to cure any breach by Business Associate and this right, regardless of whether Covered Entity cures such breach, does not lessen any right or remedy available to Covered Entity at law, in equity, or under the contract or grant, nor does it lessen Business Associate's responsibility for such breach or its duty to cure such breach.

**15. Return/Destruction of PHI.**

15.1 Business Associate in connection with the expiration or termination of the contract or grant shall return or destroy, at the discretion of the Covered Entity, all PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity pursuant to this contract or grant that Business Associate still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. Business Associate shall not retain any copies of the PHI. Business Associate shall certify in writing for Covered Entity (1) when all PHI has been returned or destroyed and (2) that Business Associate does not continue to maintain any PHI. Business Associate is to provide this certification during this thirty (30) day period.

15.2 Business Associate shall provide to Covered Entity notification of any conditions that Business Associate believes make the return or destruction of PHI infeasible. If Covered Entity agrees that return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible for so long as Business Associate maintains such PHI. This shall also apply to all Agents and Subcontractors of Business Associate.

**16. Penalties and Training.** Business Associate understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of PHI and (b) violations of this Agreement may result in notification

by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations. If requested by Covered Entity, Business Associate shall participate in training regarding the use, confidentiality, and security of PHI.

**17. Security Rule Obligations.** The following provisions of this section apply to the extent that Business Associate creates, receives, maintains or transmits Electronic PHI on behalf of Covered Entity.

Business Associate shall identify in writing upon request from Covered Entity all of the safeguards that it uses to protect such Electronic PHI.

17.2 Business Associate shall ensure that any Agent and Subcontractor to whom it provides Electronic PHI agrees in a written agreement to implement and use administrative, physical, and technical safeguards that reasonably and appropriately protect the Confidentiality, Integrity and Availability of the Electronic PHI. Business Associate must enter into this written agreement before any use or disclosure of Electronic PHI by such Agent or Subcontractor. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the use or disclosure of Electronic PHI. Business Associate shall provide a copy of the written agreement to Covered Entity upon request. Business Associate may not make any disclosure of Electronic PHI to any Agent or Subcontractor without the prior written consent of Covered Entity.

17.3 Business Associate shall report in writing to Covered Entity any Security Incident pertaining to such Electronic PHI (whether involving Business Associate or an Agent or Subcontractor). Business Associate shall provide this written report as soon as it becomes aware of any such Security Incident, and in no case later than two (2) business days after it becomes aware of the incident. Business Associate shall provide Covered Entity with the information necessary for Covered Entity to investigate any such Security Incident.

17.4 Business Associate shall comply with any reasonable policies and procedures Covered Entity implements to obtain compliance under the Security Rule.

**18. Miscellaneous.**

18.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the contract/grant, the terms of this Agreement shall govern with respect to its subject matter. Otherwise, the terms of the contract/grant continue in effect.

18.2 Business Associate shall cooperate with Covered Entity to amend this Agreement from time to time as is necessary for Covered Entity to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA.

18.3 Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule, Security Rule, or any other standards promulgated under HIPAA.

18.4 In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule and Security Rule, and the HIPAA omnibus final rule) in construing the meaning and effect of this Agreement.

18.5 As between Business Associate and Covered Entity, Covered Entity owns all PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity.

18.6 Business Associate shall abide by the terms and conditions of this Agreement with respect to all PHI it receives from Covered Entity or creates or receives on behalf of Covered Entity even if some of that information relates to specific services for which Business Associate may not be a “Business Associate” of Covered Entity under the Privacy Rule.

18.7 Business Associate is prohibited from directly or indirectly receiving any remuneration in exchange for an individual’s PHI. Business Associate will refrain from marketing activities that would violate HIPAA, including specifically Section 13406 of the HITECH Act. Reports or data containing the PHI may not be sold without Agency’s or the affected individual’s written consent.

18.8 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for Business Associate to return or destroy PHI as provided in Section 14.2 and (b) the obligation of Business Associate to provide an accounting of disclosures as set forth in Section 11 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.

Our examination will be conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and in accordance with generally accepted governmental auditing standard as defined by the Comptroller General of the United States.

Accordingly, it will include tests of records and other procedures we consider necessary to enable us to express an opinion regarding the State's compliance with the six verifications set forth in Title 42 CFR §455.304(d). Those procedures will incorporate the auditor procedures detailed in the Centers for Medicaid & Medicare ("CMS") General DSH Audit and Reporting Protocol, CMS-2198-F. If, for any reason, we are unable to complete the examination, we will not issue a report as a result of this engagement.

Our report will be intended solely for the information and use of the State, the Vermont State Legislature, hospitals participating in the Vermont DSH program, and CMS, and is not intended to be, and should not be used by anyone other than those specified parties.

Our engagement will not include a detailed inspection of every transaction and cannot be relied on to disclose all material errors, fraud, or other illegal acts, that may exist. However, we will inform the State of any material errors or fraud that comes to our attention. We will also inform the State of any other illegal acts that come to our attention, unless clearly inconsequential.

We understand that the State will provide us with the basic information required for our examination and are responsible for the accuracy and completeness of that information. We may advise the State about appropriate criteria or assist in the development of the subject matter, but the responsibility for the subject matter remains with the State.

At the end of the engagement, we will require a representation letter from management.

The State is responsible for compliance with the requirements of the six verifications set forth in Title 42 of the Code of Federal Regulations ("CFR") §455, and the reporting requirements under Title 42 CFR §447.299. The State is also responsible for making all management decisions and performing all management functions; for designating an individual who possesses suitable skill, knowledge, or experience to oversee any non-
