ATTACHMENT A
SCOPE OF WORK TO BE PERFORMED

Starting in October 2013, individuals, families and small businesses will use Vermont Health Connect to compare health plans side-by-side and find one that fits their needs and budget. Navigators will be available to sit down with Vermonters one-on-one to help them understand their health care options, compare health plan benefits and prices, and select a plan that fits their needs. Small businesses can also turn to Navigators for help in determining the best options for their business. The primary goals of the State's Vermont Health Connect Navigator Program are to:

- 1) Provide free in-person enrollment assistance to individuals and businesses in communities across Vermont;
- 2) Conduct outreach and education to individuals and businesses across Vermont to help them learn about Vermont Health Connect, how it relates to them, and the key timelines to make enrollment decisions; and
- 3) Fulfill all duties and criteria as determined by state and federal law.

In order to maximize Navigators' impact and ensure accountability, Navigators will be managed by entities selected by Vermont Health Connect to be "Navigator Organizations." By accepting this grant, the Subrecipient is attesting their intention to serve as a Navigator Organization.

As a Subrecipient of federal funds, the recipient is required to adhere to the following federal regulations: A-110: "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-Profit Organizations" (OMB Circular A-110); A-122: "Cost Principles for Non-Profit Organizations" (OMB Circular A-122); and A-133: "Audits of States, Local Governments and Non-Profit Organizations" (OMB Circular A-133)

These circulars may be found on the Office of Management and Budget website at:

<http://www.whitehouse.gov/omb/circulars/index.html>.

As well as any other applicable federal regulations or guidelines specific to the funding of which support this grant agreement.

1. Subrecipient's Duties and Criteria

- Assign qualified personnel to be trained and certified as Navigators by the State;
- Obtain a State of Vermont criminal conviction report on each selected Navigator and keep on file. If the prospective Navigator has not resided in the state of Vermont for the past five consecutive years, then an FBI criminal background check is required. Navigators may initiate employment with the Subrecipient prior to the receipt of background check results by the Navigator organization. Continued employment of Navigators is contingent upon satisfactory results of the required criminal history reports;
- Manage and oversee Navigators;
- Ensure that only certified Navigators are providing enrollment assistance;
- Leverage connections with key target populations to boost the State's outreach efforts;
- Provide monthly status reports detailing engagement and enrollment efforts;
- Meet with the state on a quarterly basis; attend additional meetings either in person or by phone as requested by the state; and
- Manage State grant funding and compensation of Navigators, if applicable.

2. Navigator Duties and Criteria as determined by state and federal law

- Maintain expertise in eligibility, enrollment, and program specifications and conduct public education activities to raise awareness about the Exchange;
- Provide information and services in a fair, accurate and impartial manner; such information must acknowledge other health programs;
- Facilitate selection of a qualified health plan (QHP) and/or Medicaid, Dr. Dynasaur, and other public health benefit program;
- Provide referrals to any applicable office of health insurance consumer assistance or health insurance ombudsman established under section 2793 of the PHS Act, or any other appropriate State agency or agencies, for any enrollee with a grievance, complaint, or question regarding their health plan, coverage, or a determination under such plan or coverage; and
- Provide information in a manner that is culturally and linguistically appropriate to the needs of the population being served by the Exchange, including individuals with limited English proficiency, and ensure accessibility and usability of Navigator tools and functions for individuals with disabilities in accordance with the Americans with Disabilities Act and section 504 of the Rehabilitation Act.

Management of Navigators

The Subrecipient will utilize 10, seasoned, existing Outreach Worker staff to become certified as Navigators. Collectively, their time will equal 1.75 FTE Navigators. The Subrecipient will hire 2-4 new employees to supplement existing staff in their current roles, rather than hire new employees to become Navigators.

The State's Training Process and Requirements

As the Navigator certification criteria dictates, individuals designated to become Navigators by Subrecipient must complete the Navigator training program and pass an exam to demonstrate an understanding of the information taught in the training program. This is a two-step process:

1. Complete 24 hours of Navigator Training
2. Pass a written exam

The training program and exam will take place in the June/July 2013 timeframe and September 2013. Over time, new regulations and information pertaining to Vermont Health Connect may be released of which Navigators to be required to be aware of all changes or updates. Pending how much new information is available, it is estimated that Navigators may be required to complete an additional 4-12 hours of training over the course of the year.

Evaluation of Navigator Organizations

Subrecipient will be responsible for monthly reporting to the State. Reports will detail progress against engagement and enrollment goals set in the contract, assessment of Navigator and Navigator Organization activities, forecasting for upcoming months and recommendations for strategic adjustments if applicable. The State will review reports on a monthly basis and evaluate Subrecipient's on a quarterly basis.

Upon execution of this grant the State will provide the Subrecipient with the required reporting forms. The Subrecipient shall be required to report the following data elements on a monthly basis.

Outreach Activities

- Number of outreach events by event type (e.g., meeting with community group, attendance at public event, social media, materials distribution, other)

Business Partner may not create, collect, use or disclose PII gathered for the purposes listed in 45 CFR §155.260(a)(1) while performing Minimum Functions unless the creation, collection, use or disclosure is consistent with the written policies and procedures identified by the State in accordance with 45 CFR §155.260. 4. **Security Safeguard Requirements**

Business Partner shall implement and use appropriate safeguards to prevent the use or disclosure of PII except as provided for by this Agreement, an Interconnection Security Agreement, if applicable, and as set forth in 45 CFR 155.260(a)(3)(vii) and (4).

5. **Documenting and Reporting Breaches**

Business Partner shall report to DVHA any Breach of PII as soon as it (or any of its employees or agents) becomes aware of such Breach, and in no case later than three (3) business days after it (or any of its employees or agents) become aware of the Breach. The cost of notice and related remedies shall be borne by Business Partner.

6. **Mitigation and Corrective Action Requirements** Business Partner shall mitigate, to the extent practicable, any harmful effect that is known to it of a Breach of PII. Business Partner shall provide a copy of the signed agreement to DVHA upon request.

8. **Termination**

8.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by DVHA or until all of the PII provided by DVHA to Business Partner or created or received by Business Partner on behalf of DVHA is destroyed or returned to DVHA subject to Section 9.

8.2 If Business Partner breaches any material term of this Agreement, DVHA, without liability or penalty, may either: (a) provide in writing an opportunity and time frame for Business Partner to cure the breach and terminate the Grant if Business Partner fails to cure; or (b) immediately terminate the Grant if DVHA believes that cure is not reasonably possible. DVHA has the right to seek to cure any breach by Business Partner and this right, regardless of whether DVHA cures such breach, does not lessen any right or remedy available to DVHA at law, in equity, or under the Grant, nor does it lessen Business Partner's responsibility for such breach or its duty to cure such breach.

9. **Responsibility for the Return/Destruction of PII**

9.1 Business Partner, in connection with the expiration or termination of the Grant, shall return or destroy, at the discretion of DVHA, all PII received from DVHA or created or received by Business Partner on behalf of DVHA pursuant to the Grant that Business Partner still maintains within thirty (30) days after such expiration or termination. 9.2 Business Partner shall provide to DVHA notification of any conditions that Business Partner believes make the return or destruction of PII infeasible. If DVHA agrees that return or destruction is infeasible, Business Partner shall extend the protections of this Agreement to such PII and limit further uses and disclosures of

such PII to those conditions that make the return or destruction infeasible for so long as Business Partner maintains such PII.

10. **Penalties** Business Partner understands that it may be subject to a civil penalty, in addition to other penalties that may be prescribed by law, resulting from the improper creation, collection, use or disclosure of PII. In addition, violations of this Agreement may result in notification by DVHA to law enforcement officials and regulatory, accreditation, and licensure organizations.

11. **Training** Business Partner shall participate in training regarding the use, confidentiality, and security of PII at DVHA's request.

12. **Miscellaneous**

12.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the Grant, the terms of this Agreement shall govern with respect to its subject matter. Otherwise the terms of the Grant continue in effect.
