

## AMENDMENT

It is agreed by and between the State of Vermont, Department of Vermont Health Access (hereafter called the "State") and Onpoint Health Data (hereafter called the "Contractor") that the contract on the subject of data collection, processing, editing, validation testing, consolidation and data management, such services herein collectively referred to as the Vermont Healthcare Claims Uniform Reporting and Evaluation System (VHCURES), effective May 16, 2011, is hereby amended effective June 1, 2011, as follows:

**By deleting on page 1 of 32, Section 3 (Maximum Amount) and substituting in lieu thereof the following Section 3:**

**3. Maximum Amount.** In consideration of the services to be performed by Contract, the State agrees to pay Contractor, in accordance with the payment provisions specified in Attachment B, a sum not to exceed \$ 387,100.

**By adding to Attachment A, Specification of Work Section 5 the following:**

5.2 The Contractor will use current Blueprint evaluation baseline claims data for St. Johnsbury (7/1/2007-6/30/2008) and Burlington (10/1/2007 – 9/30/2008) to report on the same utilization and expenditure (payment) measures in the current evaluation for members identified in the claims with chronic disease.

For participants and controls separately and for St. Johnsbury and Burlington separately the utilization and payment rates for members with each of the following conditions will be reported: asthma, COPD, Congestive Heart Failure (CHF), Coronary Heart Disease (CHD), Hypertension, Diabetes, and Depression. In addition, 3 special combinations of chronic conditions will be reported. For example, persons with one or more of any of these chronic conditions, two or more of any of these chronic conditions, persons with diabetes and CHF or CHD. The combinations to use will be determined by the Blueprint program.

The reporting of utilization and expenditure measures for each participant and control identified with the condition will be based on the entire utilization and payments for those participants during the year and will not be restricted to diagnoses specifically associated with the condition.

**By deleting on page 8 of 32, Attachment A Exhibit 1, and substituting for it Exhibit 1 to Attachment A which is included within this amendment on page 3.**

**By deleting on page 9 of 32, Attachment B, Section 1 and substituting in lieu thereof the following Section 3:**

1. The maximum amount payable under this contract for service and expenses shall not exceed \$387,100 including maximum payable travel expenses specified below under section 3. The maximum allowable payable under this contract excluding the maximum payable travel expenses shall be subdivided as follows:

A. Custom Medicaid Studies	\$122,450.00
B. Custom Blueprint Studies	\$119,950.00
C. Blueprint Chronic Conditions special study	\$ 15,750.00
D. Special Reports and Studies for Other Departments	\$114,950.00
