 SPECIFICATIONS OF WORK TO BE PERFORMED**

Transportation Brokers contract with the Department of Vermont Health Access (DVHA) to arrange for and secure Non-Emergency Medical Transportation (NEMT) in their set geographical areas for eligible Vermont Medicaid beneficiaries who do not have transportation as defined in DVHA's Medicaid Non-Emergency Medical Transportation Procedure Manual (NEMT Manual). The Contractor will follow the terms of the current NEMT Manual and:

1. Provide the most cost effective appropriate means of transportation available that meet the beneficiary's medical needs.
2. Establish and maintain a network of transportation providers including: volunteer drivers, transit/para-transit vans and sedans, and taxi companies (where available).
3. Provide transportation at no cost to the Medicaid beneficiary.
 - Brokers are strictly prohibited from imposing additional transportation charges on Medicaid beneficiaries for trips billed to Medicaid.
 - Subcontracted transportation carriers shall not impose any additional charges on beneficiaries.
4. Provide the staff and resources needed to handle transportation request phone calls from our members during regular business hours (at least eight hours per non-holiday week day).

The Contractor will meet the following performance standards. Failure to meet these performance standards may result in financial penalties described in Attachment B.

Standard	Measure/Target	Reporting Requirements
Provide transportation (in accordance with the NEMT manual) whenever a trip request is received with at least two business days advance notice to the broker	95% of the time	Brokers will report all cases where standard isn't met. This should be included in broker's monthly report.
Broker will provide professional and courteous customer service to all beneficiaries.	100% of the time	Brokers will report all complaints and resolutions in the monthly report.
Calls will be answered by a live person within 3 minutes.	95% of the time	Brokers will report all cases where a beneficiary was on hold for more than 3 minutes. This should be included in broker's monthly report.
Call abandonment rate shall be minimal. A call will be considered "abandoned" when a member hangs up before speaking with a live operator.	<5% of all calls are abandoned	Brokers will report all cases where a beneficiary was on hold for more than 3 minutes. This should be included in broker's monthly report.
Beneficiaries will arrive on time for their appointments.	95% of the time	Broker will report all cases where a member arrived late for an appointment. This report shall document any extraordinary conditions (weather, etc). This should be included in broker's monthly report.
Broker will pick up beneficiary within the timeline of the "On Time Pick Up Window" as defined in the manual. This also applies to return trips.	95% of the time	Broker will report all exceptions as a part of their monthly report.
All provisions of the NEMT manual and contract shall be met.		Broker will report all exceptions as a part of their monthly report.

The specific rules and guidelines for administering the NEMT program in Vermont are outlined in DVHA's Medicaid Non-Emergency Medical Transportation Procedure Manual (NEMT Manual), which is posted online at <http://dvha.vermont.gov/for-providers>. Periodic updates to this manual can occur with two month notice provided to the Brokers. The Contractor agrees to abide by the terms of the NEMT Manual including any amendments to the NEMT Manual. If an update to this manual will cause a financial impact to the contractor of more than \$1,000 annually, DVHA will negotiate in good faith to amend the contract

Once under a PM/PM rate for services as well as administration, the provisions of the NEMT Manual dictating the rate of reimbursement to entities to whom CCTA brokers services, shall be null and void.

ATTACHMENT B PAYMENT PROVISIONS

From October 1, 2012 through December 31, 2012, the Contractor will bill Medicaid through our claims adjudication system for all direct transportation costs. In addition, the Contractor will be paid a Per Member, Per Month (PMPM) payment for administrative services. This provision is in place because the Contractor consolidated two transit regions into one contract and we will need to accumulate more utilization and cost data before an all-inclusive PMPM can be established. The contractor is also in the middle of negotiations with a major transportation subcontractor and we do not yet know how these changes will effect an all-inclusive PMPM.

During this period, the Contractor will work with DVHA to develop a mutually agreeable, accurate, all-inclusive PMPM that will go into effect on January 1, 2013.

From October 1, 2012 through December 31, 2012, the Contractor's PMPM for administrative services will be: \$16.57. During this period, Contractor will pay volunteer drivers and subcontracted transportation providers the same rates that were in place during State Fiscal Year 2012 (6/30/11 – 7/1/12).

State will pay Contractor this PMPM multiplied by the total number of unduplicated beneficiaries served by the Contractor during the 12 months prior to the invoice period. These PMPM payments will be made monthly, but may be pro-rated to weekly payments at the State's discretion.

After January 1, 2013, the following payment provisions will apply:

DVHA will pay the Contractor on a Per Member, Per Month (PMPM) basis. In addition to the PMPM payment, the Contractor will be allowed to bill Medicaid for any complete trip that costs more than \$500 (round trip, including lodging and other expenses). These trips will be billed as claims to Medicaid outside of the PM/PM monthly amount, in accordance with our Provider Manual and billing instructions.

The State developed this PMPM payment model in order to provide an incentive to the Contractor for efficient and cost-effective performance. Our PMPM dollar amount was developed by analyzing utilization and performance data from previous years. Because these prior-year conditions may change, the State agrees to negotiate in good faith to modify this contract whenever:

1. The Contractor can demonstrate that a change in utilization or other conditions will have a financial impact of more than \$3,000 annually AND one of the following statements (2 through 5 below) is also true.
2. The Contractor experiences a change in the number and/or cost of rides delivered per member, per month.
3. Fuel prices change by more than 15%. Fuel prices will be based on U.S. Energy Information Administration data for New England (Area PADD 1A). At the time of this writing (the week of 5/7/12), the Gasoline-All Grades price is \$3.947/gallon and the Diesel (On-Highway)-All Types price is \$4.232/gallon.
4. There is an increase in the IRS mileage rate for personal vehicles. This contract was developed using a mileage rate of \$0.51 per mile.
5. There is any other increase in costs that are clearly out of the direct control of the Contractor.

Under no circumstances will the State negotiate a higher PMPM due to deficiencies in the Contractor's performance.

In order to help us track utilization, the Contractor will submit claims to Medicaid for all direct transportation services provided to our members, with no cost per trip indicated. These claims will be “paid” by our claims adjudication system with a zero dollar amount. The data submitted in these claims will be used to generate the weekly payment described below.

In order to make timely payments to the Contractor, the State will make the PMPM payments in weekly installments. These weekly payments will be based on a Per Member, Per Week (PMPW) basis. The following formula will be used to convert the PMPM to a PMPW for the purpose of making weekly payments to the Contractor: $(PMPM \times 12)/52$

The Contractor’s PMPM dollar amount will be determined through negotiation with the State during the first six months of the contract period. When the PMPM is developed, both parties agree to negotiate an amendment to this contract to quantify the actual PMPM dollar amount and make any necessary changes to the maximum contract amount.

The weekly payments will be calculated using the following method:

1. Each week, DVHA will generate a report of the total number of unduplicated individuals served by the Contractor over the prior 12 months.
2. DVHA will multiply the number of unique recipients by the PMPW dollar amount and make the payment during the following week’s electronic payment to the Contractor’s bank account. DVHA will provide Contractor with a weekly remittance advice explaining this payment.
3. The State will send weekly Remittance Advice documents to the Contractor.
4. In the event that the weekly payment cannot happen due to data or processing errors, the State will send the payment in the following week. The State agrees to make these payments on a weekly basis, but it will not be considered a breach of this contract if the State postponed a payment for one week due to a data or processing error.

The State does not agree to pay any costs not specifically described in this contract or the NEMT Manual.

If the State determines that one or more of the performance measures described in Attachment A have not been met, the Contractor will receive written notice of the deficiency as well as the amount of money the Contractor is at risk of forfeiting. The State will consider the severity of the deficiency and determine the amount of funding that may be forfeited by the Contractor. This total of all forfeitures will not exceed \$10,000 in the duration of this agreement. The Contractor will then have 15 days to respond with a corrective action plan to address the deficiency. If the State approves the corrective action plan and the Contractor meets the performance measures in the following invoice period, the State will release the retained funds. If the Contractor fails to correct the deficiency, the Contractor will permanently forfeit the funds. At the State’s discretion, the Contractor may be given a longer period to correct the performance deficiency.

If the Contractor wishes to dispute any decision that results in forfeited funding, the Contractor may request a meeting with the Commissioner of the Department of Vermont Health Access (or his/her delegate) to discuss the decision.

Attachment E BUSINESS ASSOCIATE AGREEMENT

This Business Associate Agreement (“Agreement”) is entered into by and between the State of Vermont Agency of Human Services operating by and through its Department of Health Access (“Covered Entity”) and Chittenden County Transportation Authority dba Green Mountain Transit Agency (“Business Associate”) as of October 1st, 2012 (“Effective Date”). This Agreement supplements and is made a part of the Contract to which it is an attachment.

Covered Entity and Business Associate enter into this Agreement to comply with standards promulgated under the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) including the Standards for the Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164 (“Privacy Rule”) and the Security Standards at 45 CFR Parts 160 and 164 (“Security Rule”), as amended by subtitle D of the Health Information Technology for Economic and Clinical Health Act.

The parties agree as follows:

1. **Definitions.** All capitalized terms in this Agreement have the meanings identified in this Agreement, 45 CFR Part 160, or 45 CFR Part 164.

The term “Services” includes all work performed by the Business Associate for or on behalf of Covered Entity that requires the use and/or disclosure of protected health information to perform a business associate function described in 45 CFR 160.103 under the definition of Business Associate.

The term “Individual” includes a person who qualifies as a personal representative in accordance with 45 CFR 164.502(g).

The term “Breach” means the acquisition, access, use or disclosure of protected health information (PHI) in a manner not permitted under the HIPAA Privacy Rule, 45 CFR part 164, subpart E, which compromises the security or privacy of the PHI. “Compromises the security or privacy of the PHI” means poses a significant risk of financial, reputational or other harm to the individual.

2. **Permitted and Required Uses/Disclosures of PHI.**

- 2.1 Except as limited in this Agreement, Business Associate may use or disclose PHI to perform Services, as specified in the underlying contract with Covered Entity. Business Associate shall not use or disclose PHI in any manner that would constitute a violation of the Privacy Rule if used or disclosed by Covered Entity in that manner. Business Associate may not use or disclose PHI other than as permitted or required by this Agreement or as Required by Law.

- 2.2 Business Associate may make PHI available to its employees who need access to perform Services provided that Business Associate makes such employees aware of the use and disclosure restrictions in this Agreement and binds them to comply with such restrictions. Business Associate may only disclose PHI for the purposes authorized by this Agreement: (a) to its agents (including subcontractors) in accordance with Sections 8 and 16 or (b) as otherwise permitted by Section 3.

3. **Business Activities.** Business Associate may use PHI received in its capacity as a “Business Associate” to Covered Entity if necessary for Business Associate’s proper management and administration or to carry out its legal responsibilities. Business Associate may disclose PHI received in its capacity as “Business Associate” to Covered Entity for Business Associate’s proper management and administration or to carry out its legal responsibilities if a disclosure is Required by Law or if (a) Business Associate obtains reasonable written assurances via a written agreement from the person to whom the information is to be disclosed that the PHI shall remain confidential and be used or further disclosed only as Required by Law or for the purpose for which it was disclosed to the person and (b)

the person notifies Business Associate, within three business days (who in turn will notify Covered Entity

within three business days after receiving notice of a Breach as specified in Section 5.1), in writing of any Breach of Unsecured PHI of which it is aware. Uses and disclosures of PHI for the purposes identified in this Section must be of the minimum amount of PHI necessary to accomplish such purposes.

4. **Safeguards.** Business Associate shall implement and use appropriate safeguards to prevent the use or disclosure of PHI other than as provided for by this Agreement. With respect to any PHI that is maintained in or transmitted by electronic media, Business Associate shall comply with 45 CFR sections 164.308 (administrative safeguards), 164.310 (physical safeguards), 164.312 (technical safeguards) and 164.316 (policies and procedures and documentation requirements). Business Associate shall identify in writing upon request from Covered Entity all of the safeguards that it uses to prevent impermissible uses or disclosures of PHI.
5. **Documenting and Reporting Breaches.**
 - 5.1 Business Associate shall report to Covered Entity any Breach of Unsecured PHI as soon as it (or any of its employees or agents) become aware of any such Breach, and in no case later than three (3) business days after it (or any of its employees or agents) becomes aware of the Breach, except when a law enforcement official determines that a notification would impede a criminal investigation or cause damage to national security.
 - 5.2 Business Associate shall provide Covered Entity with the names of the individuals whose Unsecured PHI has been, or is reasonably believed to have been, the subject of the Breach and any other available information that is required to be given to the affected individuals, as set forth in 45 CFR §164.404(c), and, if requested by Covered Entity, information necessary for Covered Entity to investigate the impermissible use or disclosure. Business Associate shall continue to provide to Covered Entity information concerning the Breach as it becomes available to it.
 - 5.3 When Business Associate determines that an impermissible acquisition, use or disclosure of PHI by a member of its workforce does not pose a significant risk of harm to the affected individuals, it shall document its assessment of risk. Such assessment shall include: 1) the name of the person(s) making the assessment, 2) a brief summary of the facts, and 3) a brief statement of the reasons supporting the determination of low risk of harm. When requested by Covered Entity, Business Associate shall make its risk assessments available to Covered Entity.
6. **Mitigation and Corrective Action.** Business Associate shall mitigate, to the extent practicable, any harmful effect that is known to it of an impermissible use or disclosure of PHI, even if the impermissible use or disclosure does not constitute a Breach. Business Associate shall draft and carry out a plan of corrective action to address any incident of impermissible use or disclosure of PHI. If requested by Covered Entity, Business Associate shall make its mitigation and corrective action plans available to Covered Entity.
7. **Providing Notice of Breaches.**
 - 7.1 If Covered Entity determines that an impermissible acquisition, access, use or disclosure of PHI for which one of Business Associate's employees or agents was responsible constitutes a Breach as defined in 45 CFR §164.402, and if requested by Covered Entity, Business Associate shall provide notice to the individuals whose PHI was the subject of the Breach. When requested to provide notice, Business Associate shall consult with Covered Entity about the timeliness, content and method of notice, and shall receive Covered Entity's approval concerning these elements. The cost of notice and related remedies shall be borne by Business Associate.
 - 7.2 The notice to affected individuals shall be provided as soon as reasonably possible and in no case later than 60 calendar days after Business Associate reported the Breach to Covered Entity.
 - 7.3 The notice to affected individuals shall be written in plain language and shall include, to the extent possible, 1) a brief description of what happened, 2) a description of the types of Unsecured PHI that were

involved in the Breach, 3) any steps individuals can take to protect themselves from potential harm resulting from the Breach, 4) a brief description of what the Business associate is doing to investigate the Breach, to mitigate harm to individuals and to protect against further Breaches, and 5) contact procedures for individuals to ask questions or obtain additional information, as set forth in 45 CFR §164.404(c).

- 7.4 Business Associate shall notify individuals of Breaches as specified in 45 CFR §164.404(d) (methods of individual notice). In addition, when a Breach involves more than 500 residents of Vermont, Business associate shall, if requested by Covered Entity, notify prominent media outlets serving Vermont, following the requirements set forth in 45 CFR §164.406.
8. **Agreements by Third Parties.** Business Associate shall ensure that any agent (including a subcontractor) to whom it provides PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity agrees in a written agreement to the same restrictions and conditions that apply through this Agreement to Business Associate with respect to such PHI. For example, the written contract must include those restrictions and conditions set forth in Section 14. Business Associate must enter into the written agreement before any use or disclosure of PHI by such agent. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the use or disclosure of PHI. Business Associate shall provide a copy of the written agreement to Covered Entity upon request. Business Associate may not make any disclosure of PHI to any agent without the prior written consent of Covered Entity.
9. **Access to PHI.** Business Associate shall provide access to PHI in a Designated Record Set to Covered Entity or as directed by Covered Entity to an Individual to meet the requirements under 45 CFR 164.524. Business Associate shall provide such access in the time and manner reasonably designated by Covered Entity. Within three (3) business days, Business Associate shall forward to Covered Entity for handling any request for access to PHI that Business Associate directly receives from an Individual.
10. **Amendment of PHI.** Business Associate shall make any amendments to PHI in a Designated Record Set that Covered Entity directs or agrees to pursuant to 45 CFR 164.526, whether at the request of Covered Entity or an Individual. Business Associate shall make such amendments in the time and manner reasonably designated by Covered Entity. Within three (3) business days, Business Associate shall forward to Covered Entity for handling any request for amendment to PHI that Business Associate directly receives from an Individual.
11. **Accounting of Disclosures.** Business Associate shall document disclosures of PHI and all information related to such disclosures as would be required for Covered Entity to respond to a request by an Individual for an accounting of disclosures of PHI in accordance with 45 CFR 164.528. Business Associate shall provide such information to Covered Entity or as directed by Covered Entity to an Individual, to permit Covered Entity to respond to an accounting request. Business Associate shall provide such information in the time and manner reasonably designated by Covered Entity. Within three (3) business days, Business Associate shall forward to Covered Entity for handling any accounting request that Business Associate directly receives from an Individual.
12. **Books and Records.** Subject to the attorney-client and other applicable legal privileges, Business Associate shall make its internal practices, books, and records (including policies and procedures and PHI) relating to the use and disclosure of PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity available to the Secretary in the time and manner designated by the Secretary. Business Associate shall make the same information available to Covered Entity (without regard to the attorney-client or other applicable legal privileges) upon Covered Entity's request in the time and manner reasonably designated by Covered Entity so that Covered Entity may determine whether Business Associate is in compliance with this Agreement.
13. **Termination.**
- 13.1 This Agreement commences on the Effective Date and shall remain in effect until terminated by Covered

Entity or until all of the PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity is destroyed or returned to Covered Entity subject to Section 17.7.

- 13.2 If Business Associate breaches any material term of this Agreement, Covered Entity may either: (a) provide an opportunity for Business Associate to cure the breach and Covered Entity may terminate this Contract without liability or penalty if Business Associate does not cure the breach within the time specified by Covered Entity; or (b) immediately terminate this Contract without liability or penalty if Covered Entity believes that cure is not reasonably possible; or (c) if neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary. Covered Entity has the right to seek to cure any breach by Business Associate and this right, regardless of whether Covered Entity cures such breach, does not lessen any right or remedy available to Covered Entity at law, in equity, or under this Contract, nor does it lessen Business Associate's responsibility for such breach or its duty to cure such breach.

14. Return/Destruction of PHI.

- 14.1 Business Associate in connection with the expiration or termination of this Contract shall return or destroy, at the discretion of the Covered Entity, all PHI received from Covered Entity or created or received by Business Associate on behalf of Covered Entity pursuant to this Contract that Business Associate still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. Business Associate is to provide this certification during this thirty (30) day period.
- 14.2 Business Associate shall provide to Covered Entity notification of any conditions that Business Associate believes make the return or destruction of PHI infeasible. If Covered Entity agrees that return or destruction is infeasible, Business Associate shall extend the protections of this Agreement to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible for so long as Business Associate maintains such PHI.

- 15. Penalties and Training.** Business Associate understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of PHI and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations. If requested by Covered Entity, Business Associate shall participate in training regarding the use, confidentiality, and security of PHI.

- 16. Security Rule Obligations.** The following provisions of this Section apply to the extent that Business Associate creates, receives, maintains or transmits Electronic PHI on behalf of Covered Entity.

Business Associate shall identify in writing upon request from Covered Entity all of the safeguards that it uses to protect such Electronic PHI.
- 16.2 Business Associate shall ensure that any agent (including a subcontractor) to whom it provides Electronic PHI agrees in a written agreement to implement and use administrative, physical, and technical safeguards that reasonably and appropriately protect the Confidentiality, Integrity and Availability of the Electronic PHI. Business Associate must enter into this written agreement before any use or disclosure of Electronic PHI by such agent. The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the use or disclosure of Electronic PHI. Business Associate shall provide a copy of the

written agreement to Covered Entity upon request. Business Associate may not make any disclosure of Electronic PHI to any agent without the prior written consent of Covered Entity.

- 16.3 Business Associate shall report in writing to Covered Entity any Security Incident pertaining to such Electronic PHI (whether involving Business Associate or an agent, including a subcontractor). Business Associate shall provide this written report as soon as it becomes aware of any such Security Incident, and in no case later than three (3) business days after it becomes aware of the incident. Business Associate shall provide Covered Entity with the information necessary for Covered Entity to investigate any such Security Incident.
- 16.4 Business Associate shall comply with any reasonable policies and procedures Covered Entity implements to obtain compliance under the Security Rule.

17. Miscellaneous.

- 17.1 In the event of any conflict or inconsistency between the terms of this Agreement and the terms of the Contract, the terms of this Agreement shall govern with respect to its subject matter. Otherwise the terms of the Contract continue in effect.
- 17.2 Business Associate shall cooperate with Covered Entity to amend this Agreement from time to time as is necessary for Covered Entity to comply with the Privacy Rule, the Security Rule, or any other standards promulgated under HIPAA.
- 17.3 Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule, Security Rule, or any other standards promulgated under HIPAA.
- 17.4 In addition to applicable Vermont law, the parties shall rely on applicable federal law (e.g., HIPAA, the Privacy Rule and Security Rule) in construing the meaning and effect of this Agreement.
- 17.5 As between Business Associate and Covered Entity, Covered Entity owns all PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity.
- 17.6 Business Associate shall abide by the terms and conditions of this Agreement with respect to all PHI it receives from Covered Entity or creates or receives on behalf of Covered Entity under this Contract even if some of that information relates to specific services for which Business Associate may not be a "Business Associate" of Covered Entity under the Privacy Rule.
- 17.7 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for Business Associate to return or destroy PHI as provided in Section 14.2 and (b) the obligation of Business Associate to provide an accounting of disclosures as set forth in Section 11 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.
