

DATE: February 12, 2009
TO: Kevin Veller
FROM: State of Vermont, Agency of Human Services, Office of Vermont Health Access
SUBJECT: Simplified Bid Procurement Process for Consultative Services – Health Care Reform Outreach and Enrollment Coordinator

The Office of Vermont Health Access (OVHA) is a state agency, under the Agency of Human Services, that is responsible for the management of Vermont's publicly funded health insurance programs. OVHA wishes to contract for personal services for a Health Care Reform Outreach and Enrollment Coordinator.

Background:

Vermont Medicaid is the largest insurer in Vermont, covering 142,151 individuals, and paying some or all of the health care costs for 24% of the state's population. Of the nearly \$5 billion dollar health care industry in Vermont, OVHA Medicaid programs represent about 25% of spending in that system.

The State Medicaid program has been designated a Managed Care Organization (MCO) under the CMS approved "Global Commitment to Health" 1115 waiver. Under the Global Commitment waiver, OVHA is a Managed Care Organization, and must meet rules for Medicaid managed care organizations. OVHA has interagency agreements with Vermont Agency of Human Services departments that provide or fund Medicaid covered services. These agreements make these departments part of the MCO within the framework of the Global Commitment. Consequently, services provided by those departments pursuant to the terms of the agreements are MCO services. Included in the MCO are all Medicaid funded services, except long term care services included in the other State 1115 waiver called "Choices for Care" Also not included in the Global Commitment are approximately 3,500 children funded in Vermont through the State Child Health Insurance Program (SCHIP). These children live in families with incomes up to 300% of FPL.

The Medicaid health benefits and state pharmacy benefit programs have seen changes within the current health care delivery system. The State's ongoing health care reform encompasses examination and development of a plan to allow the integration of the new and evolving health care systems within the State of Vermont. The common goal is the better management of the state health care resources throughout the state.

At this time, OVHA is looking for an individual to provide consultative services to the Office of Vermont Health Access (OVHA) as a Health Care Reform Outreach and Enrollment Coordinator to work in collaboration with OVHA, the Director and Assistant Director of Health Care Reform, and external stakeholders regarding the development and implementation of activities to meet the stated goal in Act

Notwithstanding the foregoing, the Covered Entity in this Agreement is the Agency of Human Services operating by and through its Department, Office, or Division of **Office of Vermont Health Access**. Covered Entity and Business Associate agree that the term “Covered Entity” as used in this Agreement also means any other Department, Division or Office of the Agency of Human Services to the extent that such other Department, Division, or Office has a relationship with Business Associate that pursuant to the Privacy or Security Rules would require entry into an agreement of this type.
- 15.9 As between Business Associate and Covered Entity, Covered Entity owns all PHI provided by Covered Entity to Business Associate or created or received by Business Associate on behalf of Covered Entity.
- 15.10 Business Associate shall abide by the terms and conditions of this Agreement with respect to all PHI it receives from Covered Entity or creates or receives on behalf of Covered Entity under this Contract even if some of that information relates to specific services for which Business Associate may not be a “Business Associate” of Covered Entity under the Privacy Rule.
- 15.11 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for Business Associate to return or destroy PHI as provided in Section 12.2 and (b) the obligation of Business Associate to provide an accounting of disclosures as set

forth in Section 9 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.

15.12 This Agreement constitutes the entire agreement of the parties with respect to its subject matter, superseding all prior oral and written agreements between the parties in such respect.
