## **MANUFACTURER'S RESPONSIBILITIES**

4.1 Manufacturer will calculate and provide the State a CMS Rebate for the Covered Product(s), which includes the CMS Basic Rebate and CMS CPI Rebate, as appropriate. The CMS Rebate represents the discount obtained by multiplying the units of the Covered Product(s) reimbursed by the State in the preceding quarter by the per unit rebate amount provided to the State by CMS. CMS will calculate the CMS Rebate amount in accordance with Manufacturer's CMS Agreement. Manufacturer's obligation for CMS Rebates will continue for the duration of the Manufacturer's CMS Agreement.

4.2 In addition to the CMS Rebates described in Section 4.1 of this Agreement, Manufacturer will remit to the State a State Supplemental Rebate for the Supplemental Covered Product(s) that are in the State's Preferred Drug List Program. The State Supplemental Rebates will be calculated on a calendar quarter basis and provided via invoices to the Manufacturer's CMS financial contact. The State Supplemental Rebates for the quarter will be determined by multiplying the number of units of the Supplemental Covered Product(s) reimbursed by the State in the preceding quarter by its Supplemental Rebate Amount. The Manufacturer's obligation for State Supplemental Rebates will continue for the duration of this Agreement. The Supplemental Rebate calculation is described in Attachment A.

4.3 The Manufacturer's obligation for State Supplemental Rebates will begin with the Rebate Billing Period for the first calendar quarter 2006, which begins January 1, 2006 (even if this Agreement is not fully executed by such date) and will continue through the Rebate Billing Period that ends \_\_\_\_\_, subject to the Participation Commencement Date as described in Section 3.12, *supra*. Notwithstanding the above, the State reserves the right to solicit annually more favorable State Supplemental Rebates from Manufacturer by giving written notice thereof no less than ninety (90) days prior to the yearly anniversary of the effective date of this Agreement.

4.4 The quarters to be used for calculating the Rebates in Section 4.2 of this Agreement will be those ending on March 31, June 30, September 30, and December 31 of each calendar year during the term of this Agreement.

4.5 The participating Manufacturer will be required to submit the State Supplemental Rebate payment within 38 days of the Manufacturer's receipt of the Participating State's Rebate Summary.

4.6 Manufacturer will pay the State Supplemental Rebates, including any applicable interest in accordance with Section 1903 (d)(5) of the Act. Interest on the Rebates payable under Section 4.2 of this Agreement begins accruing 38 calendar days from the postmark date of the State's invoice and supporting Rebate Summary sent to the Manufacturer and interest will continue to accrue until the postmark date of the Manufacturer's payment. For the rebate programs invoiced under this Agreement, if the date of mailing of a Rebate payable under Section 4.2 of this Agreement is 69 days or more from the date of mailing of the invoice, the interest rate will be calculated as required under federal guidelines for rebates described in Section 4.1 but will be increased by ten percentage points or the maximum allowed by State law. If the State has not received the Rebates payable under Section 4.2 of this Agreement, including interest, within 180 days of the postmark date of State's invoice and supporting Rebate Summary sent to the Manufacturer, the State may deem the Manufacturer to be in default and the State may terminate its participation in this Agreement by giving Manufacturer ninety (90) days advance written notice.

4.7 Manufacturer agrees to continue to pay State Supplemental Rebates on the Supplemental Covered Product(s) for as long as this Agreement or any of its Addenda are in force, and State Utilization Data shows that payment was made for that drug, regardless of whether the Manufacturer continues to market that drug. Manufacturer's obligation to pay State Supplemental Rebates on the Supplemental Covered Product(s) shall terminate twelve (12) months following the last expiration date of the last lot of Supplemental Covered Product sold by the Manufacturer. Notwithstanding the above, in the event Manufacturer's Supplemental Covered Product(s) is/are sold to another manufacturer, the original Manufacturer shall have no liability for rebates on utilization beyond those required by the Medicaid program. Manufacturer shall provide the State with notice of the sale of said Supplemental Covered Product(s) concurrent with Manufacturer's notice to CMS.

4.8 Unless notified otherwise, Manufacturer will send Rebate payments by certified mail, return receipt requested, to the address provided to Manufacturer as set forth in Section 9.2 of this Agreement.

## **STATE'S RESPONSIBILITIES**

5.1 The State will consider the Manufacturer's Supplemental Covered Product(s) for inclusion in the Participating State's Preferred Drug List Program. The State reserves the right to select the products that will be in its Preferred Drug List Program and will only receive State Supplemental Rebates for Manufacturer's Supplemental Covered Products that are actually included in its Preferred Drug List Program. Manufacturer shall pay State Supplemental Rebates based upon the State's utilization of Manufacturer's Supplemental Covered Product(s) that did not require prior authorization. Unless otherwise specifically agreed, the State shall not be entitled to State Supplemental Rebates for utilization of Manufacturer's Supplemental Covered Product(s) that occurred only subsequent to the obtaining of prior authorization unless the Supplemental Covered Product(s) have been assigned to a Product Category and all products in the Product Category are subject to prior authorization requirements. The State also reserves the right to determine, as a result of a Product Category review, that prior authorization is required for all preferred drugs in a Product Category. If the Participating State determines that prior authorization is required for

any Supplemental Covered Product, then the State will comply with all provisions of Section 1927( d) of the Social Security Act applicable to Prior Authorization programs.

5.2 The State shall notify the Manufacturer whenever a Participating State adds one of Manufacturer's Supplemental Covered Products to its Preferred Drug List or when one of Manufacturer's Supplemental Covered Products is moved to a prior authorization status.

5.3 The State will provide aggregate State Utilization Data to the Manufacturer on a quarterly basis. This data will be based on paid claims data (data used to reimburse pharmacy providers) under the State's Medicaid (and other state funded, HHS approved) Program(s), will be consistent with any applicable Federal or State guidelines, regulations and standards for such data, and will be the basis for the State's calculation of the State Supplemental Rebate.

5.4 The State will maintain those data systems used to calculate the State Supplemental Rebates. In the event material discrepancies are discovered, the State will promptly justify its data or make an appropriate adjustment, which may include a credit as to the amount of the State Supplemental Rebates, or a refund to Manufacturer as the parties may agree.

5.5 The State shall maintain electronic claims records for the most recent four quarters that will permit Manufacturer to verify through an audit process the Rebate Summaries provided by the State.

5.6 Upon implementation of this Agreement, and from time to time thereafter, the State and Manufacturer will meet to discuss any data or data system improvements which are necessary or desirable to ensure that the data and any information provided by the State to Manufacturer are adequate for the purposes of this Agreement.

5.7 The State shall obtain CMS approval of its Medicaid plan of which this Agreement forms a part. Manufacturer shall not be obligated to remit any Supplemental Rebates that have accrued and are due under this Agreement until after the State has obtained CMS approval of its Supplemental Rebate Program of which this Agreement forms a part.

## **DISPUTE RESOLUTION**

6.1 In the event that in any quarter a discrepancy in the State's State Utilization Data is questioned by the Manufacturer, which the Manufacturer and the State in good faith are unable to resolve, the Manufacturer will provide written notice of the discrepancy to the State.

6.2 If the Manufacturer in good faith believes the State's State Utilization Data is erroneous, the Manufacturer shall pay the State that portion of the rebate claimed that is not in dispute by the required date. The balance in dispute, if any, will be paid by the Manufacturer to the State by the due date of the next quarterly payment after resolution of the dispute.

6.3 The State and the Manufacturer will use their best efforts to resolve the discrepancy within 60 days of receipt of written notification. Should additional information be required to

resolve disputes, the State will cooperate with the Manufacturer in obtaining the additional information.

6.4 In the event that the State and the Manufacturer are not able to resolve a discrepancy regarding State Utilization Data as provided for in Sections 6.1 through 6.3, the Manufacturer may request a reconsideration of the State's determination within 30 days after the end of the 60-day period identified in Section 6.3. The Manufacturer shall submit with its written request its argument in writing, along with any other materials, supporting its position to the State. The State shall review the written argument and materials and issue a decision in the matter.

## **CONFIDENTIALITY PROVISIONS**

7.1 The parties agree that confidential information will not be released to any person or entity not a party to this contract. Confidential information, including trade secrets, will not be disclosed or used except in connection with this Agreement or as may be required by law or judicial order.

7.2 The Manufacturer will hold the State's State Utilization Data confidential. If the Manufacturer audits this information or receives further information on such data from the State, that information shall also be held confidential. The Manufacturer shall have the right to disclose the State's State Utilization Data to auditors who agree to keep such information confidential.

7.3 Pursuant to 42 USC 1396r-8(b)(3)(D), and other applicable state or federal laws, the parties agree that this Agreement and all information provided pursuant to this Agreement will not be disclosed and that the parties will not duplicate or use the information, except in connection with this Agreement or as may be required by judicial order. The parties further agree that any information provided by Manufacturer to the State, pursuant to this Agreement and this Agreement itself constitute trade secrets and/or confidential or proprietary commercial and financial information not subject to public disclosure. Furthermore, the parties agree that any Manufacturer information received by the State shall constitute trade secrets and/or confidential or proprietary commercial and financial information of the Manufacturer not subject to public disclosure, except as otherwise provided for herein. If the services of a third party are used to administer any portion of this Agreement, Sections 7.1 through 7.4 of this Agreement shall apply to the third party. In the event that either party is required by law to disclose any provision of this Agreement or pricing information to any person, such party shall provide advance written notice to the other party sufficiently in advance of the proposed disclosure to allow the other party to seek a protective order or other relief.

7.4 Notwithstanding the non-renewal or termination of this Supplemental Rebate Agreement for any reason, these confidentiality provisions will remain in full force and effect.

## **NON-RENEWAL OR TERMINATION**

8.1 This Agreement shall be effective as of January 1, 2006, and shall have the term indicated in Section 4.3, *supra*.

8.2 The State may terminate its participation in this Agreement by giving Manufacturer written notice at least sixty (60) days prior to the anniversary date of this Agreement, in which case termination shall become effective on the anniversary date of the date of execution of this Agreement. Manufacturer may terminate this Agreement and all Addenda by giving the State written notice at least sixty (60) days prior to the anniversary date of this Agreement, in which case termination shall become effective on the anniversary date of the date of execution of this Agreement. Manufacturer's right of termination is limited to the right to terminate the entire Agreement. Manufacturer may not terminate specific Addendum/Addenda.

8.3 Notwithstanding any non-renewal or termination of this Agreement, State Supplemental Rebates will still be due and payable from the Manufacturer under Section 4.2 for any Supplemental Covered Products for which the State's obligation to reimburse arose prior to the effective date of termination of this Agreement.

8.4 On at least an annual basis or as mutually agreed upon by Manufacturer and the State, Manufacturer shall have the opportunity to decrease the Net Price of its Covered Products to increase the likelihood of product(s) utilization and/or inclusion in the State's Preferred Drug List Programs.

## **GENERAL PROVISIONS**

9.1 This Agreement will be governed and construed in accordance with 42 U.S.C. § 1396r-8 and all other applicable federal and state law and regulations.

9.2 Any notice required to be given pursuant to the terms and provisions of this Agreement will be in writing and will be sent by certified mail, return receipt requested. Notice will be mailed to the addressees set forth below.

9.3 The Manufacturer agrees to be bound by the laws of the United States of America and with the law of the State of Vermont. Proper venue in any legal action shall be the venue of the State of Vermont.

9.4 Nothing herein shall be construed or interpreted as limiting or otherwise affecting the State's ability to pursue its rights arising out of the terms and conditions of the Agreement in the event that a dispute between the parties is not otherwise resolved.

9.5 Manufacturer and the agents and employees of Manufacturer in the performance of this Agreement, will act in an independent capacity and not as officers, employees or agents of the State.

9.6 Manufacturer may not assign this Agreement, either in whole or in part, without the written consent of the State. However, in the event of a transfer in ownership of the Manufacturer, the Agreement is automatically assigned to the new owner subject to the conditions in this Agreement. If the Agreement is assigned pursuant to this Section, Manufacturer shall provide the State with an update of the information contained in Section 9.2, *supra*.

9.7 Nothing in this Agreement will be construed so as to require the commission of any act contrary to law. If any provision of this Agreement is found to be invalid or illegal by a court of law, or inconsistent with federal requirements, this Agreement will be construed in all respects as if any invalid, unenforceable, or inconsistent provision were eliminated, and without any effect on any other provision.

9.8 The State and Manufacturer declare that this Agreement, including attachments, schedules and addenda, contains a total integration of all rights and obligations of the parties. There are no extrinsic conditions, collateral agreements or undertakings of any kind. In regarding this Agreement as the full and final expression of their contract, it is the express intention of the parties that any and all prior or contemporaneous agreements, promises, negotiations or representations, either oral or written, relating to the subject matter and period of time governed by this Agreement which are not expressly set forth herein are to have no force, effect, or legal consequences of any kind.

9.9 This Agreement will not be altered except by an amendment in writing signed by the parties. Other than as stated herein, no individual is authorized to alter or vary the terms or

make any representation or inducement relative to it, unless the alteration appears by way of a written amendment, signed by duly appointed representatives of the State and the Manufacturer.

9.10 The parties do not contemplate any circumstances under which indemnification of the other parties would arise. Nevertheless, should such circumstances arise, Manufacturer agrees to indemnify, defend and hold harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by the Manufacturer in the performance of this Agreement.

9.11 Inasmuch as the State Supplemental Rebates required by this Agreement are for state Medicaid (and other state funded, HHS/CMS approved state pharmaceutical assistance programs) program beneficiaries, it is agreed, in accordance with Medicaid Drug Rebate Program Release #102 for State Medicaid Directors and other applicable law, that the State Supplemental Rebates do not establish a new 'Best Price' for purposes of participating Manufacturer's CMS Agreement.

9.12 In the event that the State requires prior authorization of Manufacturer's Supplemental Covered Product(s) as part of a Product Category prior authorization under Section 5.1, State Supplemental Rebates shall nevertheless be payable hereunder.

9.13 If the State makes a change to a Product Category that is considered to be a material change in the structure of the supplemental rebates program, Manufacturer may be allowed to re-submit bids for the Product Category/Categories affected.

9.14 As evidence of their Agreement to the foregoing terms and conditions, the parties have signed below.
