

Pilot Testing

Goold Health Systems (GHS) would like to notify all Pharmacy providers that during the month of December we will be conducting Pilot Testing for the implementation of the new State of Vermont Medicaid Point of Sale (POS) system for pharmacy claims. The anticipated Go-live for the conversion is January 1st, 2015.

As part of the Pilot testing process, registration of pharmacies as testing partners will begin December 1st, 2014 through December 5th, 2014 with actual pilot testing occurring December 8th, 2014 through December 19th, 2014.

Beginning next week, changes occurring with the implementation of the POS will be sent in the registration information letter including instructions for pilot testing and updated Payer Sheet will be available on the <http://www.ghsinc.com/payer-sheets> website.

For testing purposes and questions regarding testing, please contact:
