Hi Christelle,

I was able to track down a couple of things to help you with your additional request below. This website has a link to an excel spreadsheet of all Vermont Medicaid Providers, including home health agencies: <http://www.vtmedicaid.com/Downloads/providerLists.html>. Once at this website, click on the link, 'Excel File,' to download the latest version of the spreadsheet.

There is also a website that will search active Vermont Medicaid Providers by provider type, including home health agencies. The downside to this site is that the search results are not digitalized, though it is in chart format. The website:  
<http://www.vtmedicaid.com/secure/providerLookUp.do>.

I hope you find this helpful. Please let me know if you have any other questions.

Best,  
-Dylan

Hi Dylan,  
Thank you for your response. I'm wondering if your department has a digitized list of the home

health care providers listed on that website (i.e. excel).

Sincerely,

Christelle

Hello Christelle,

The Department of Vermont Health Access and the Department of Aging and Independent Living conducted a search in response to your July 15, 2014 public records request for the following information:

Name of Home care provider / agency and the following data for each agency:

- Address (street address, city, state, zip code)
- Telephone number
- Website address (url)
- Contact name – Name of Owner of business (if available)
- Total number of Medicaid claims submitted by the agency in 2013
- Total number of Medicaid claimants in which the home care agency provided care in 2013
- Home care provider's total Medicaid revenue in 2013
- List of Medicaid waiver programs Home care agency billed by program name in 2013

As already provided, home health care provider/agency addresses, telephone numbers, and contact names can be found at the following website: <http://www.dlp.vermont.gov/other/hha>.

In response to the following requests:

- Website address (url)
- Total number of Medicaid claims submitted by the agency in 2013
- Total number of Medicaid claimants in which the home care agency provided care in 2013
- Home care provider's total Medicaid revenue in 2013

There are no public records to provide pursuant to 1 V.S.A. § 317(b). The data you requested would require the agency to compile information and create a public record. The agency has no obligation to create records in response to public records requests and declines to do so in this case.

The Medicaid waiver programs that home health care agencies have billed in 2013 are the Section 1115 Global Commitment Waiver and Choices for Care (Section 1115 Long-Term Care Medicaid Waiver).

Please be advised that, pursuant to 1 V.S.A. § 318(a)(2), you have the right to appeal the denial of any portion of your request to Doug Racine, Secretary of the Agency of Human Services. Feel free to contact me if you have any questions.

Sincerely,

**Dylan Frazer**

Hello Christelle,

I am forwarding your public records request to a different department, the Department of Aging and Independent Living (DAIL), as they would be the custodians of the records you have requested.

Bard, I'm hoping that you would be able to assist Christelle with her public records request below, or please send her along to the Public Records Officer or other appropriate person at DAIL.

I can quickly address requests 1, 2, and 4 for you now. This information can be found at this website: <http://www.dlp.vermont.gov/other/hha>.

Thank you in advance, Bard, for helping Christelle with her request.

Best,

**Subject:** Data Request

Hi Dylan,

Thank you for your call and for your assistance with this data request.

We are looking for a list of Home Health Care Agencies / Providers that service the Medicaid population in your state and specific information on each agency/provider. Are you able to provide us with the following information?

Name of Home care provider / agency and the following data for each agency:

- Address (street address, city, state, zip code)
- Telephone number
- Website address (url)
- Contact name – Name of Owner of business (if available)
- Total number of Medicaid claims submitted by the agency in 2013
- Total number of Medicaid claimants in which the home care agency provided care in 2013
- Home care provider's total Medicaid revenue in 2013
- List of Medicaid waiver programs Home care agency billed by program name in 2013

Let me know if there is a charge to assemble the information as I will have to get it authorized on my end first before any work can be done. Also, can we have the data in an excel file or csv file format if possible?

I look forward to hearing from you.

Best,  
Christelle
