Dear Mr. Gottlieb:

The Department of Vermont Health Access (DVHA) has conducted a search in response to your public records request from June 10, 2014 for all redacted proposals submitted for RFP #03410-127-14, as well as the evaluators' notes and scoring. Other than Catamaran, proposals were submitted by Xerox, Magellan, and Goold Health Systems. The Attorney General's Office is continuing to review the Magellan proposal for the appropriateness of asserted trade secret info. This proposal will be provided to you as soon as the review is complete. Attached please find:

- Xerox redacted proposal
- Xerox redaction clarification (marked as proprietary, but the Attorney General's Office felt that redacting this information was inappropriate)
- Goold Health Systems redacted proposal
- Goold Health Systems redaction clarification
- Scoring workbook with notes

Please be advised that, pursuant to 1 V.S.A. § 318(a)(2), you have a right to appeal the denial of any portion of your request to Doug Racine, Secretary of the Agency of Human Services. Please feel free to contact me if you have any questions.

Sincerely,

Dylan Frazer
