****Important Changes to Differin® (adapalene) Coverage****

Dear Medicaid Provider,

Effective 1/1/23, Vermont Medicaid will be discontinuing coverage of the following NDCs and providing generic alternative options. Select Galderma products are no longer participating in the Medicaid Drug Rebate Program. Therefore, the following products are no longer considered covered outpatient drugs and will be excluded from Vermont Medicaid coverage.

Differin® (adapalene) 0.1% Cream NDC 00299591545

Differin® (adapalene) 0.3% Gel NDC 00299591825

To assist with transitioning your patient(s) to an alternate therapy, DVHA will move generic adapalene 0.1% gel and generic adapalene 0.3% gel, excluding the pump formulation, to preferred since they are cost effective alternatives.
