CONTRACT #41132
AMENDMENT #2

AMENDMENT

It is hereby agreed by and between the Parties, State of Vermont, Department of Vermont Health Access (hereinafter called "State"), and Vermont Public Transit Association (herein after called "Contractor"), that Contract #41132 originally dated as of January 1, 2021, is hereby amended April 14, 2023, as follows:

- I. **Maximum Amount.** The maximum amount payable under the Contract, wherever such reference appears in the Contract, shall be amended from \$38,325,424.01 to \$55,025,424.01, representing an increase of \$16,700,000.00.
- II. **Contract Term.** The Contract end date, wherever such reference appears in the Contract, shall be amended from June 30, 2023 to June 30, 2024. This Contract may be renewed for an additional period(s) not to exceed 6-months or December 31, 2024.
- III. **By deleting Attachment B, Section 2(A) in its entirety and replacing it as set forth below:**
 2. The payment schedule for delivered products, or rates for services performed, and any additional reimbursements, are as follows:
 - A. CONTRACT VALUE/QUANTITY
 1. Contract issuance is contingent upon funding availability. The maximum dollar amount payable under this contract is not intended to guarantee any amount of payment. The Contractor will be paid at the billable rates for services performed, up to the maximum allowable amount.
 - i. For Calendar Year 2021, the Contractor shall be paid at a rate of \$34.57 PMPW.
 - ii. Beginning January 1, 2022, through June 30, 2024, the Contractor shall be paid at a rate of \$34.75 PMPW.
 - iii. Beginning April 14, 2023, the Contractor shall be paid a temporary enhanced rate of \$68.20, inclusive of the PMPW amount listed in Section 2.A.ii above, to be expended for services actually performed and paid by June 30, 2023, up to the appropriated amount of \$1,700,000.00. If this funding is expended prior to June 30, 2023, the prevailing PMPW rate in Section 2.A.ii will be utilized. As necessary, State shall conduct a reconciliation process at the end of this period to ensure the appropriated amount is fully allocated up to and not to exceed \$1,700,000.00 through the PMPW rate. Parties agree that any PMPW payments above \$1,700,000.00 on claims covered by this temporary enhanced PMPW rate are an overpayment, and the State is entitled to recoup these payments. This activity will not require Contractor to resubmit claims. To prevent Contractor from having to reimburse the State for duplicate claims payments, State will initiate weekly recoupments. Should the State take longer than sixty (60) days to recoup any such overpayments on properly submitted claims, such delay will not result in those overpayments being treated as false claims.
 2. If the State initiates the Addition of New Programs with the Other Transportation Programs identified in Section 4, the Contractor shall bill at the current PMPW rate for the first six months of the new program.
 3. The following provisions specifying payments are:
 - i. No benefits or insurance will be reimbursed by the State as set forth in Attachment C.
