 2. Travel expenses, or
 3. Tobacco training funds;
 - vi. State-approved back-up documentation in compliance with current state rates for mileage and meal reimbursement at the time expenses occur, as found at:
<https://humanresources.vermont.gov/compensation/expense-reimbursement>.
6. The Subrecipient, regardless of whether invoicing monthly or quarterly, must submit the Subrecipient Grantee Financial Monitoring Report (provided by the State) monthly to the State Fiscal Manager.
7. Reimbursable Expenses. The Subrecipient will be reimbursed for actual, reasonable and necessary travel and expenses incurred in the conduct of official business under this Grant Agreement, subject to any limits set forth in this agreement. Economy, prudence and necessity shall be of primary concern when planning and paying for travel and expenses under this agreement. Beyond assuming a reasonable level of safety and convenience for the Subrecipient, every effort should be made to keep travel and expenses to a minimum; the use of grant funds for purchases that are inherently personal in nature or to accommodate personal comfort and taste is not permitted. This does not restrict or prohibit the lawful and necessary travel expenses of qualified individuals for "reasonable accommodations" pursuant to the Americans with Disabilities Act (ADA).
8. Timeliness of Claims. To ensure proper and timely accounting of State and Federal funds, the Subrecipient is expected to submit expense reimbursement requests in the invoice immediately following the date the expense was incurred.
9. Documentation. The Subrecipient shall be responsible for expense documentation. The Subrecipient recognizes that funds issued under this agreement are subject to audit by federal agencies, internal and external auditors, and others. The Subrecipient acknowledges that thorough documentation (ie. who, what, when, where, why, and how much) and accounting is required. The Subrecipient shall supply documentation as follows:
 - a. All requests for reimbursement of travel and expenses require itemized receipts and proofs of payment to substantiate the expenses.
 - b. Credit card statements alone are not sufficient documentation due to lack of itemization.
 - c. Documentation must include all required travel authorizations and pre-authorizations for non-travel business expenses.
 - d. For airfare, travel itineraries or online quotes alone do not constitute proof of payment.
 - e. Hotel bills must be detailed with charges itemized and indicate proof of payment.
 - f. Electronic receipts for purchases made via websites are acceptable provided they identify the vendor, buyer, date of purchase, item(s) purchased and amount paid, along with proof

- of payment indication.
- g. Any unallowable expense items included on bills/receipts must be deducted and not submitted for reimbursement.
 - h. If attending a conference, include the conference brochure, agenda, etc. to substantiate the business purpose.
 - i. It is not appropriate to round off amounts or to estimate expenses when requesting reimbursement.
 - j. In the limited instances where receipts are not required, the Subrecipient must still report only the actual amounts paid and itemize these expenses:
 - i. Expense items not requiring receipts include nominal amounts for tolls, parking meters, subways, shuttles, and tips.
 - k. If a receipt is lost, misplaced or damaged beyond legibility, the Subrecipient is responsible for contacting the vendor and requesting a copy of the receipt.
10. Mode and Route of Travel. The Subrecipient shall not be reimbursed for additional expenses that are incurred due to travel routing that is for the sole convenience of the traveler(s), including indirect travel routes, stopovers or leaving earlier/returning later than necessary, unless there is sufficient documentation that the cost of the entire trip (including transportation, lodging, meals, incidentals, etc.) is no more than the costs would have been without the personal convenience. Calculations that justify the cost effectiveness of any personal convenience must be included with the expense documentation. Business class, first class and other premium modes of travel or fees charged for preferred seating are not allowable expenses.
11. Lodging. When a room is shared with a person who is not currently performing services under this Grant Agreement, the Subrecipient is entitled to reimbursement at the lesser of the single room rate or the actual cost for just the Subrecipient's lodging. When a room is shared by individuals performing services under this Grant Agreement, the names of all individuals must be provided with the hotel bill. One claim may be made by the Subrecipient for reimbursement for the entire cost of the lodging or, if practical, reimbursement may be calculated on a pro-rated share of the total allowable cost. Suites or larger non-standard rooms may be allowable provided there is documented cost savings over the price of multiple standard rooms. Charges resulting from a failure to observe check-out times, negligence in not cancelling a guaranteed reservation, or property damages caused by the Subrecipient will be considered an unnecessary expense and ineligible for reimbursement. Overnight in-state lodging is reimbursable when the Subrecipient's employee is required to work significantly beyond their normal work schedules (including travel time) and at a location that is not their official workstation that is at least 40 miles from the employee's residence.
12. Meals. The Subrecipient is entitled to reimbursement of meals for employees on authorized travel under the terms of this Grant Agreement for actual costs incurred up to the State's maximum rates at the time of the expense listed at <https://humanresources.vermont.gov/compensation/expense-reimbursement>. The maximum meal reimbursement rates are inclusive of all food, non-alcoholic beverages, services, taxes and gratuities. Different rates are established for breakfast, lunch and dinner, in-state and out-of-state under the following conditions:
- a. Breakfast may be an allowable expense on the departure date for travel requiring an overnight stay, or for travel not requiring an overnight stay, if it is necessary for the Subrecipient's employee to begin travel more than 2 hours earlier than the start of their normally scheduled workday.

- b. Dinner may be an allowable expense on the return date from travel requiring an overnight stay, or for travel not requiring an overnight stay, if the Subrecipient’s employee is unable to return to their residence or official workstation until at least 2 hours later than the end of their normally scheduled workday.
 - c. Alcohol is never an allowable cost for meal reimbursement.
 - d. The Subrecipient shall be reimbursed for its employee’s out-of-pocket meal expenses incurred during authorized participation in conferences, meetings, seminars, conventions, trainings, etc. without regard to location of the meal or maximum limit, provided the meal is a necessary part of the event and for which participants have no control over the cost of the meal.
13. Registration Fees. Registration fees required for State-approved participation in conferences, meetings, seminars, conventions, trainings, workshops, trade shows, etc. that are directly related to the terms of this Grant Agreement are allowable expenses when supported by adequate documentation.
 14. Non-Travel Business Expenses. When in the best interests of performing the terms of this Grant Agreement and approved by the State, the Subrecipient may be reimbursed for purchases of non-travel business expenses **not to exceed \$200** per purchase, except as otherwise allowed above. Examples of non-travel business expenses include supplies, tools, equipment, postage, food or refreshments, professional dues, and memberships or subscriptions directly related to the terms of this agreement. All reimbursement requests must have a clear, documented business purpose and be accompanied by receipts, proof of payment and/or other appropriate documentation to substantiate the expense. Transactions or invoices must not be split in an attempt to circumvent the \$200 threshold.
 15. Licenses. Professional and occupational licenses are ineligible for reimbursement.
 16. Unallowable Personal Expenses. All expenses must have a valid business purpose. The State will not reimburse or pay for travel and expenses that are inherently personal in nature.
 17. The State will monitor the Subrecipient to ensure compliance with financial performance requirements of the program and identify any failures in the administration and performances of the award. The monitoring plan will serve to identify whether Subrecipient needs technical assistance. Monitoring will be used to document allowable and unallowable costs, time and effort reporting and travel. Monitoring will also be used to follow up on any findings identified in earlier monitoring visits, document reviews, or audits to ensure that Subrecipient took corrective action. The monitoring plan may include on-site visits, follow-up, document and/or desk reviews, third-party evaluations, technical assistance, and informal monitoring such as email and telephone interviews. The State will provide templates for collecting data and documentation.

The Subrecipient may also request, in writing, approval by the State to carry forward funds across quarterly periods if necessary to accomplish grant deliverables.

"Agreement" shall mean the specific contract or grant to which this form is attached.

2. Entire Agreement: This Agreement, whether in the form of a contract, State-funded grant, or Federally-funded grant, represents the entire agreement between the parties on the subject matter. All prior agreements, representations, statements, negotiations, and understandings shall have no effect.

3. Governing Law, Jurisdiction and Venue; No Waiver of Jury Trial: This Agreement will be governed by the laws of the State of Vermont. Any action or proceeding brought by either the State or the Party in connection with this Agreement shall be brought and enforced in the Superior Court of the State of Vermont, Civil Division, Washington Unit. The Party irrevocably submits to the jurisdiction of this court for any action or proceeding regarding this Agreement. The Party agrees that it must first exhaust any applicable administrative remedies with respect to any cause of action that it may have against the State with regard to its performance under this Agreement. Party agrees that the State shall not be required to submit to binding arbitration or waive its right to a jury trial.

4. Sovereign Immunity: The State reserves all immunities, defenses, rights or actions arising out of the State's sovereign status or under the Eleventh Amendment to the United States Constitution. The State retains the right to participate at its own expense in the defense of any claim. The State shall have the right to approve all proposed settlements of such claims or suits.

After a final judgment or settlement, the Party may request recoupment of specific defense costs and may file suit in Washington Superior Court requesting recoupment. The Party shall be entitled to recoup costs only upon a showing that such costs were entirely unrelated to the defense of any claim arising from an act or omission of the Party in connection with the performance of this Agreement.

The Party shall indemnify the State and its officers and employees if the State, its officers or employees become legally obligated to pay any damages or losses arising from any act or omission of the Party or an agent of the Party in connection with the performance of this Agreement.

Notwithstanding any contrary language anywhere, in no event shall the terms of this Agreement or any document furnished by the Party in connection with its performance under this Agreement obligate the State to (1) defend or indemnify the Party or any third party, or (2) otherwise be liable for the expenses or reimbursement, including attorneys' fees, collection costs or other costs of the Party or any third party.

8. Insurance: Before commencing work on this Agreement the Party must provide certificates of insurance to show that the following minimum coverages are in effect. "Records" means any written or recorded information, regardless of physical form or characteristics, which is produced or acquired by the Party in the performance of this agreement. Records produced or acquired in a machine readable electronic format shall be maintained in that format. The records described shall be made available at reasonable times during the period of the Agreement and for three years thereafter or for any period required by law for inspection by any authorized representatives of the State or Federal Government. If any litigation, claim, or audit is started before the expiration of the three-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved.

14. Fair Employment Practices and Americans with Disabilities Act: Party agrees to comply with the requirement of 21 V.S.A. Where Force Majeure is asserted, the nonperforming party must prove that it made all reasonable efforts to remove, eliminate or minimize such cause of delay or damages, diligently pursued performance of its obligations under this Agreement, substantially fulfilled all non-excused obligations, and timely notified the other party of the likelihood or actual occurrence of an event described in this paragraph.

8.4 *Business Associate* shall notify *Individuals* of *Breaches* as specified in 45 CFR § 164.404(d) (methods of *Individual* notice). In addition, when a *Breach* involves more than 500 residents of Vermont, *Business Associate* shall, if requested by Covered Entity, notify prominent media outlets serving Vermont, following the requirements set forth in 45 CFR § 164.406.

The written agreement must identify Covered Entity as a direct and intended third party beneficiary with the right to enforce any breach of the agreement concerning the Use or Disclosure of *PHI*. *Business Associate* shall provide a copy of the written agreement it enters into with a *Subcontractor* to Covered Entity upon request. *Business Associate* may not make any Disclosure of *PHI* to any *Subcontractor* without prior written consent of Covered Entity.

14.2 If *Business Associate* fails to comply with any material term of this Agreement, Covered Entity may provide an opportunity for *Business Associate* to cure. If *Business Associate* does not cure within the time specified by Covered Entity or if Covered Entity believes that cure is not reasonably possible, Covered Entity may immediately terminate the Contract or Grant without incurring liability or penalty for such termination. If neither termination nor cure are feasible, Covered Entity shall report the breach to the Secretary of HHS. Covered Entity has the right to seek to cure such failure by *Business Associate*. Regardless of whether Covered Entity cures, it retains any right or remedy available at law, in equity, or under the Contract or Grant and *Business Associate* retains its responsibility for such failure.

15. **Return/Destruction of PHI.**

15.1 *Business Associate* in connection with the expiration or termination of the Contract or Grant shall return or destroy, at the discretion of the Covered Entity, *PHI* that *Business Associate* still maintains in any form or medium (including electronic) within thirty (30) days after such expiration or termination. *Business Associate* shall not retain any copies of *PHI*. *Business Associate* shall certify in writing and report to Covered Entity (1) when all *PHI* has been returned or destroyed and (2) that *Business Associate* does not continue to maintain any *PHI*. *Business Associate* is to provide this certification during this thirty (30) day period.

16. **Penalties.** *Business Associate* understands that: (a) there may be civil or criminal penalties for misuse or misappropriation of *PHI* and (b) violations of this Agreement may result in notification by Covered Entity to law enforcement officials and regulatory, accreditation, and licensure organizations.

18.5 *Business Associate* shall not have or claim any ownership of *PHI*.

18.6 *Business Associate* shall abide by the terms and conditions of this Agreement with respect to all *PHI* even if some of that information relates to specific services for which *Business Associate* may not be a "*Business Associate*" of Covered Entity under the Privacy Rule.

18.7 *Business Associate* is prohibited from directly or indirectly receiving any remuneration in exchange for an *Individual's PHI*. *Business Associate* will refrain from marketing activities that would violate HIPAA, including specifically Section 13406 of the HITECH Act. Reports or data containing *PHI* may not be sold without Covered Entity's or the affected *Individual's* written consent.

18.8 The provisions of this Agreement that by their terms encompass continuing rights or responsibilities shall survive the expiration or termination of this Agreement. For example: (a) the provisions of this Agreement shall continue to apply if Covered Entity determines that it would be infeasible for *Business Associate* to return or destroy *PHI* as provided in Section 14.2 and (b) the obligation of *Business Associate* to provide an accounting of disclosures as set forth in Section 12 survives the expiration or termination of this Agreement with respect to accounting requests, if any, made after such expiration or termination.
