CONTRACT #41132
AMENDMENT #4**

AMENDMENT

It is hereby agreed by and between the Parties, State of Vermont, Department of Vermont Health Access (hereinafter called "State"), and Vermont Public Transit Association (herein after called "Contractor"), that Contract #41132 originally dated as of January 1, 2021, is hereby amended May 3, 2024 as follows:

- I. By deleting Attachment B, Section 2(A) in its entirety and replacing it as set forth below:**
2. The payment schedule for delivered products, or rates for services performed, and any additional reimbursements, are as follows:
 - A. CONTRACT VALUE/QUANTITY**
 1. Contract issuance is contingent upon funding availability. The maximum dollar amount payable under this contract is not intended to guarantee any amount of payment. The Contractor will be paid at the billable rates for services performed, not to exceed the maximum allowable amount. Under no circumstances will Contractor be paid for products or services delivered or performed, as specified in Attachment A, in excess of the maximum allowable amount specified on page 1 of this Contract or in subsequent amendments.
 - i. For Calendar Year 2021, the Contractor shall be paid at a rate of \$34.57 PMPW.
 - ii. Beginning January 1, 2022, through payment date of August 4, 2023, the Contractor shall be paid at a rate of \$34.75 PMPW.
 - iii. Beginning April 14, 2023, the Contractor shall be paid a temporary enhanced rate of \$68.20, inclusive of the PMPW amount listed in Section 2.A.1.ii above, to be expended for services actually performed and paid by June 30, 2023, not to exceed the appropriated amount of \$1,700,000.00. If this funding is expended prior to June 30, 2023, the prevailing PMPW rate in Section 2.A.1.ii will be utilized. As necessary, State shall conduct a reconciliation process at the end of this period to ensure the appropriated amount is fully allocated up to and not to exceed \$1,700,000.00 through the PMPW rate. Parties agree that any PMPW payments above \$1,700,000.00 on claims covered by this temporary enhanced PMPW rate are an overpayment, and the State is entitled to recoup these payments. This activity will not require Contractor to resubmit claims. To prevent Contractor from having to reimburse the State for duplicate claims payments, State will initiate weekly recoupments. Should the State take longer than sixty (60) days to recoup any such overpayments on properly submitted claims, such delay will not result in those overpayments being treated as false claims.
 - iv. Beginning payment date August 11, 2023, the Contractor shall be paid a PMPW rate of \$40.00.
 - v. Beginning payment date May 10, 2024, through payment date May 31, 2024, the Contractor shall be paid an enhanced rate of \$72.00. Thereafter, beginning payment date June 7, 2024, the Contractor shall resume the prevailing PMPW rate in Section 2.A.1.iv of \$40.00 through June 30, 2024.
 2. If the State initiates the Addition of New Programs with the Other Transportation Programs identified in Attachment A, Section 4, the Contractor shall bill at the current PMPW rate for the first six months of the new program.
 3. The following provisions specifying payments are:
