## THINGS TO DO EVERYDAY:

- Take my medicines as directed
- Take aspirin or another blood thinner to protect my heart if recommended by my medical provider
- Keep a healthy weight
- Eat a healthy diet which includes lots of fruits and vegetables
- Eat low fat dairy products
- Eat a diet high in fiber and low in fat
- Limit alcohol and caffeine
- Read labels for hidden salt
- Reduce stress
- Exercise regularly or as recommended by my medical provider

## THINGS TO AVOID:

- Adding salt to my diet
- Eating food high in salt
- Smoking or using tobacco products
- Stress
- Foods with saturated fats, especially trans fats found in snack foods

## GOALS:

Date:	My Weight:	My Goal:
Date:	My Blood Pressure:	My Goal:
Date:	My LDL Cholesterol:	My Goal:
Last Lipid Profile done:		Next Lipid Profile due:

## MY PLAN:

I will call my medical provider today if:

- I have more frequent or severe episodes of chest pressure or pain
- The chest pressure causes sweating or shortness of breath
- The chest pressure goes into my arm or neck
- The chest pressure changes in location or intensity

I will call 911 if:

- I have chest, throat or arm tightness, pain or pressure with or without shortness of breath, a cold sweat or nausea that does not go away with rest or after taking my medicine
- The pain or symptoms are the same as they were before my last heart attack

## DISCUSS WITH MY MEDICAL PROVIDER:

- What to do if I have chest pain or heart symptoms
- Changes in diet
- Activity/Exercise
- Medicine for my heart, such as Beta Blocker/ACEI/ARB, statins or nitrates
- Pneumonia vaccine
- Flu vaccine

# HEART DISEASE ACTION PLAN

## MY ACTION PLAN

Goal: Something I WANT to do (Example: increase physical activity, take medication, make healthier food choices, etc.)

Action: A specific activity that you are going to do in the next 1 to 2 weeks. (Example: I will walk for 30 minutes after dinner with my dog three days each week for the next two weeks.)

What you will do (the behavior):

How much you will do (time, distance, or amount of activity):

When you will do it (time of day):

How often you will do it (number of days per week):

How important is it to you that you complete the action plan you made above? (Fill in your response.)

Not at all important      1   2   3   4   5   6   7   8   9   10      Totally important  
                          

How confident are you that you will successfully complete the action plan you made above? (Fill in your response.)

Not at all confident      1   2   3   4   5   6   7   8   9   10      Totally confident  
                          

Things that might make it hard:

Ways I might overcome these problems:

Follow-up plan (phone or e-mail and date/time):
